The Power of Anger Over-comes The Power of Doubt and Sadness

A story about Julie-su and Bandrat's life

Julie-su's family and Bandrat's were true enemies. Julie-su killed Bandrat and for revenge Bandrat not only blew up their house but killed her whole family, but in the process was cut in the eye leaving an everlasting scar. With his sword in hand he finished what he had started by killing off J.S.'s parents. Yet Julie-su herself escaped with only minor bruises. The last words Julie-su said before she ran off were while watching the fire fade "That's it Mouse-Boy! You've done it! First my home and now my family! I WILL HAVE MY REVENGE!!!" Bandrat watched as she vanished into the dark woods, and said, "My work here is done. But one is still alive....But she's only a kid she won't do any harm....." At this point Sonic, Knuckles, Me, Amy, Tails or even Shadow were alive. Bandrat was still young. Julie-su and Bandrat were both around the fire. Something got into that fire that stopped the ageing process....forever.
