Chapter 1 - Breeze in the Wind

1 - Breeze in the Wind

“Breeze in the Wind”

made by Anna Emmerich

There are some days that are sunny

But I feel coldness inside

You'll know me as the girl whose

Always got something to hide

There's the pretty person

Who is really hurten

Then there is the nice nerd

Who don't say a word

But really is the nice guy

chorus

There was nothing but

A breeze in the wind

And clouds in her eyes

But with faith just like that

There's no way we will fail

With hope, we will prevail!

Yeah, I act tough

And yeah, I play rough

But since I play solo

There's nothing they need to know

I keep to myself

And tell no one else

I act unlike me

Mainly unmannerly

But really there's someone else

chorus

I say leave me alone

Yet I linger by the phone

Awaiting someone's company

While they pick fights with me

Yes I am strong

I'd fight all day long

But there's another side of me

Just begging to be released
