## 1 - Pooeemm

wrap your fingers between mine  
make me feel safe inside ,  
Wipe away these tears  
lock away my endless fears.  
Press you lips to my heart,  
Keep it from falling apart.  
Look me in the eyes,  
Prove your not hiding behind a disguise.  
Or you could take this all away ,  
Leave me here and let it all fade.  
I swear your all I ever wanted  
You make it disappear,  
all the heart beating pain .
