**Chapter 1 - fogiven**

**2**

# 1 - forgiven

Why did you do this?  
Were you really that unhappy?  
I wish you didn't do it,  
But I can't change the past.

I also remember the good old days,  
When I was happy and my life was looking sky high.  
But when your momma died,  
Everything I ever cared for didn't matter anymore.

Everything was such a blur,  
My whole life had been turned upside down.  
I was too upset to realise that you were there,  
That you needed my help.

I can remember you being so upset one night,  
Forever crying into your pillow,  
I wanted to comfort you, truly I did,  
But grief held me back.

When I found you in your room,  
Everything snapped back in to focus.  
How could I have been so blind?  
Your momma would be so ashamed of me.

Now I stand by your grave,  
Thinking of all the things I could of done.  
Please tell your mom,  
That I love her and I love you, always and forever.

My little angel.
