summat I wrote from my imagination, fancy that! It was nice change from writing about my life. Anywho its basicly about someone who gave her everything to her boy but was rejected. Sounds pretty cliché, I know :p One of my better poems.

Chapter 1 - love

2

1 - love

How many times have you laughed in my face whenever tried to talk to you?
Tried to let my feelings flow
Hoped that you would understand and help me
But all you've done is laughed in my face

You don't know
You don't know what it feels like
To try to open your heart to someone
Only to be rejected

Every time I hear you laugh
That cold high shrieking laugh
It hurts me like a knife on the inside
Those scars will never heal

I put my faith and trust in you
And you just brush me away
Like I'm some small insect
Do I mean nothing to you?

I've tried to forget you
Tried to move on with my life
But you're my everything
Even if I'm not yours

The sad fact is I need you
You can't ignore that
Without you I feel hollow
Hidden in the corner of a dark room

I wont go on without you
I need you to survive
Even if you bring me close to death
Ill always love you.

Forever
