Chapter 1 - Eternal Night

2

1 - Eternal Night

Eternal Night

She lights the sky, the crescent moon;
Illuminates the dark and silent gloom.
Against fear and fright:
Streaks of light-
From stars that guide you through the night.

The wind whispers sweetly,
The trees she soothes.
The leaves and branches she gently moves.
As stars wait for days a new,
The sky cries quietly:
Hoping that the earth will hear,
As on open-eyed flowers, fall acid tears.

-Her enchanting moonlight.

She is graceful:
She is light.
She is beauty:
She is forever eternal Night.
