A concept I've been wanting to get down in some artistic way for along time now. The ending's a little wierd. Binder said it'd be okay to post poetry, so blame her.

Chapter 1 - Kill Meh

2

1 - Kill Meh

Kill me for a day,
And let me fade away.
Let me watch from the side,
See if anybody cried.
Show me if they find the body.
Then leave to see who's been naughty.
I could answer, "Who'd they care?"
By making a temporary tear.
Peer at those who came before.
See the numbers who shared remorse.
Tell if those who I adore,
Really thought I was something more.
But then bring me back again,
So I can live and pretend
That I don't know how you'd react,
If you knew I wasn't coming back.
