## 1 - So This is love

It was a rainy day in Kohonhagakure; Frost sat on a bench in a black mini skirt, black gloves, and a blue t-shirt. Frost was drenched. As she looked around her she froze. She remembered she had work and she was late! Frost ran down the streets to her work. As she stepped into the building.

“Frost your late.” sang a boy with blonde hair and grey eyes.

“I know I know Takuto, and I’m sorry I forgot I had to work.” Frost said walking to the back room to change. Frost was very busy working she looked up and to her great joy she saw, Shikamaru, Choji, Ino, and Asuma-sensei.

“Takuto could you cover them for me I’ve got my hands full right now.” Frost said. She was balancing a tray in both hands.

“No problem Frost-sensei.” Takuto sung as he walked by.

“Dude Takuto what’s with the singing?” Frost asked.

“I’m being happy.” Takuto answered. Frost shook her head and was handing out the food and the table. Frost smiled at them and walked over to Takuto.

“Need help you ray of sunshine?” Frost asked.

“Yes please Frost-sensei, go home.” Takuto said out of the blue.

“What?” Frost asked looking shocked.

“Frost-sensei have you seen your time card you haven’t had a day off, now go home and find yourself a boyfriend.” Takuto said. Frost turned on her heel and went to go change, she stormed out she was dripping wet in seconds, she took shelter under a tree, to keep dry. Frost remembered she had a jonin meeting today to. Frost was running to make sure he made it when she ran into someone. Frost held out her hand.

“I’m so sorry Naruto look where your going don’t stand in the middle of the street.” Frost said.

“Why don’t you watch where your going!” Naruto yelled at her. Frost walked around him and continued on her way to the meeting.

Fin chapter 1

Will Frost make it to the meeting let’s hope so.

## 2 - Is It Love Finally?

Disclaimer: I did not make up Naruto, I only own Takuto, Frost and Stitch. So on with the story with that said.

Frost suddenly remembered she had forgotten something at work, so she dashed back. The moment she stepped in Takuto walked over to her. "Frost Hiwatari, look at the time sheet, you've been working non stop." Takuto said holding up a sheet of paper. Frost looked her name was filled completely with hours. "Takuto don't worry I just forgot my sen bon holders." Frost said defending herself. "I figured here, now go find a boyfriend forget about that Uchiha and do something good for your health." Takuto said. "Thanks Taku." Frost said grabbing her holders from him and strapped them on her legs. Frost stepped out thinking about what Takuto had said. "He might be right a boyfriend might just be right." Frost said. Frost was thinking. "Hmmmm." Frost said clearly in thought, when she bumped into someone. "Oh my gosh, I'm so sorry." Frost said. "No problem Frost." Shikamaru said. "It was entirely my fault." Frost said offering her hand. The moment their hands touched Frost felt her heart racing, as she pulled him up, the moment he was on his feet Frost smiled and walked away, he caught up with her. "Frost I don't know if this is a bit sudden but would you..." Shikamaru started but was interrupted by Stitch. "Frost Kakashi needs to talk to you now." Stitch said. "Shika would you mind if we continue this later Kakashi calls." Frost said to both Shikamaru and Stitch's surprise she gave Shiakamru a quick kiss on the cheek. As Frost hurried away, Shikamaru looked after her. "Shikamaru what was that all about?" Stitch asked. "I have no clue Stit." Shikamaru said. Frost stood next to Kakashi, listing to the speech Lord Hogake was giving.

To be continued& Hmmm will Frost and Shikamaru get together? Find out in the third chapter.
