Chapter 1 - Perfect Name

1 - Perfect Name

Taylor the Tasu

My owner comes home
Her shopping is done
She smiles down at me
"I've brought something fun"
She sets down a creature I never have seen
Its fur is green and white
Its round eyes, they gleam
I approach it slowly, so as not to alarm
And I tell this cute critter
I mean it no harm
It looks at me pathetically
Then it mews cutely
Owner asks if I like it
I say "Absolutely!"
It needs a name
The pet owner bought
I scratch at my head
And give it some thought
A pet like this can't be called something plain
Like Tony or Brad
Andrew, or James
It needs a name special
That suits its unique looks
So I head to the library
And look through some books
Finally I find it
A name that is perfect
I go home to my pet
And proceed to name it
"Your name now" I tell it
"Be you girl or boy
Will be Taylor
And I hope you enjoy"
Taylor purrs and swats with its paw
Then jumps on a berry and begins to gnaw
Night comes and I crawl into bed
My eyes are droopy
My stomach is fed
And when I awake the next morning
Taylor, my Tasu

Is asleep by my head
