1 - Cupid's Spell

Some people go into cupid's spell,
Even though they dont realize it,
But it can change your life forever,
It can make you think your stupid,
While your in cupid's spell,
It can make you feel in love,
Then it gives you a great big shove,
And makes you feel special,
Then you feel all happy,
You start to feel gaps in your life,
You make room for other things,
You only hang out with your love,
Then your friends get pissed off,
Then you dont really care anymore,
Your friends just stay in your hair about it,
Finally you just push them aside,
And go your way,
And then your love breaks up with you,
You have no one to talk to,
So you decide to take a walk,
You run into your friends while they are all talking,
And your crying,
They ask you whats the matter?,
Then you tell them,
And thats when they say,
I told ya so
