Disclaimer & Author's Notes: *I don't own InuYasha whatsoever. It respectively belongs to Rumiko Takahashi. This is a song filk that I created using the song "Marshmallow World". It's a song that was sung for a Christmas concert back in 1999 while I was in choir. It's one of my fav songs to sing and I find it to be rather cute. If you never heard it before then I urge you to find a copy of it somewhere or at least listen to it somehow. The pairing for this is InuYasha and Kagome. I made it into the perspective of Kagome singing it to InuYasha. I hope you enjoy it. ^_^*

Kagome sings to InuYasha:

It's a snowy white world in the winter
When you trollop through the snow on the ground
While in the past, we will have a blast
Think of how much fun that'll sound

When we started out on our adventure
I know we weren't the best of friends
You're a half demon and I'm a human
Meant to fall in love in the end

Why don't you take a walk with me tonight?
The moon and the stars are so bright
And if you look how they shine upon the snow
Reflecting such a beautiful glow

InuYasha and I are sweethearts
So lets kiss under some mistletoe
Tis the season for lots of givin'
In winter let there always be snow
