This is a filk to the song "As I Lay Me Down" by Sophie B. Hawkins. It's another entry I did for the fan fic contest that AvA hosted at Mayhem's Boards. This is for any couple for ReBoot although I did picture Bob & Dot when I created it. LOL

Disclaimer & Author's Notes: I don't own ReBoot. It belongs to Mainframe Ent. I also don't own the song and it respectfully belongs to Sophie B. Hawkins. I took the song "As I Lay Me Down" sung by Sophie B. Hawkins and changed it for a fan fic contest AvA hosted at Mayhem's Boards. It's in a female point of view so either Dot, AndrAla, Mouse, Hexidecimal, or any other female characters you like or one you make up yourself can be used corresponding to whatever guy they like. Just picture it as you read or sing the words. Anyway, I hope everyone will enjoy this filk that I created.

It felt like spring time on this February morning
In Floating Point Park binomes were looking my way
I'm still recalling things you said to me last night
and They will stay with me always
Now As I smell the flowers
Along the way
As I walk down this path
Though you're far away
And I whisper your name into the sky
Afterwards I will feel happy
I wonder why I feel this way
All dizzy and light-hearted
Could it be?
Spring is in the air
And as I make my way
To downtown Baudway
Suddenly I see
You standing there
In front of me
I look deep into your eyes
And you stare
Right back at me
Though you're far away
And I whisper your name
so suddenly
But again I will feel happy
Oh darlin'
Then I turn away from you
Cuz my cheeks
Are turning all shades of red
Though you're far away
And your name slips again from my lips
Inside I feel all giddy
He's not too near to me
Like a flower I'm closing up inside
Though it's not clear to me
Every season I feel strange
But I'll feel better
When the sun comes out again
We walk hand in hand
To Kits
And then we look at each other
Though I dare to say
That I'm deeply in love with you
Though actions speak more than words
And we draw ever so closer
This I pray
That you will kiss me dearly
I feel so afraid
Of these emotions that run wild
Deep inside of me
Then we begin to kiss
When the sun comes out again
Then we begin to kiss
When the sun comes out again
Then we begin to kiss
When the sun comes out again
This truly makes me happy
So I pray
