# 1 - Jingling the ReBoot Way!

Jingle Bells  
**Jingling the ReBoot Way!**

*By MelMuff*

**Disclaimer & Author's Notes:** I don't own ReBoot! It belongs to Mainframe Ent.! Since AvA was holding a filk contest, I drafted this up specially for that contest while I was attending a Christmas party. I tried doing "Silent night" at first but I found it too difficult to do so then I tried to the tune "Jingle Bells" and it worked. After the party, I came home and typed up the refrain and the 1st verse right away while it was still fresh in my mind. I also dedicate this filk to Casso, one of our 2 budgies, because she suddenly passed away as I was beginning to type this up. My family and I believe she passed away from a tumor since she was quite round in the lower part of her belly. At first we all thought she was on the verge of laying an egg but, after a few days, things didn't improve for her and she passed away lying on the floor of the cage while I was typing this filk on the comp. This also goes out to Chip who lost his mate but he got a new one for Christmas last year. Surprisingly, he gets along better with her than Casso. We call the new budgy Casso2, Princess or Princess Casso since my family and I never fully agreed what to call her. Well, that's all I have to say. Please enjoy this filk revolving around ReBoot and the song "Jingle Bells".

Jingle bells, jingle bells, jingle all the way!  
Oh what fun it is to ride  
In a sleigh through the streets of Mainframe  
Jingle bells, jingle bells, jingle all the way!  
Oh what fun it is to go  
Jingling the ReBoot way!

Dashing through the snow  
In downtown Baudway  
Through the streets we go  
Laughing all the way  
All of Mainframe sings  
Binomes and sprites alike  
We all get together  
And go caroling tonight

Jingle bells, jingle bells, jingle all the way!  
Oh what fun it is to ride

In a sleigh through the streets of Mainframe  
Jingle bells, jingle bells, jingle all the way!  
Oh what fun it is to go  
Jingling the ReBoot way!

A little while ago  
While we went through G-Prime  
I knew all the ex-virals  
Would be singing in due time  
It's something that can't be helped  
It's just this time of year  
When everyone acts on impulse  
Giving all others good cheer

Jingle bells, jingle bells, jingle all the way  
Oh what fun it is to ride  
In a sleigh through the streets of Mainframe  
Jingle bells, jingle bells, jingle all the way  
Oh what fun it is to go  
Jingling the ReBoot way

There's something I must say  
A story I must tell  
While sleighing through Kits  
I heard a tiny bell  
It was no louder than  
A faint whisper upon the wind  
And the tune that I heard is  
The one we're now all singing

Jingle bells, jingle bells, jingle all the way!  
Oh what fun it is to ride  
In a sleigh through the streets of Mainframe  
Jingle bells, jingle bells, jingle all the way!  
Oh what fun it is to go  
Jingling the ReBoot way!

Now the ground is white  
Enjoy it while you can  
It won't last for long  
But it will come again  
Just wait another year  
Then all of Mainframe  
Will get together once again  
While singing this refrain

Jingle bells, jingle bells, jingle all the way!

Oh what fun it is to ride  
In a sleigh through the streets of Mainframe  
Jingle bells, jingle bells, jingle all the way!  
Oh what fun it is to go  
Jingling the ReBoot way!
