## Mainframe's Winter Wonderland

**Author's Notes:** *I don't own ReBoot. It belongs to Mainframe Ent. This is a filk that I created using the song Winter Wonderland.*

Ring a ling, are you listening  
In the lane, binomes whistling  
It's a beautiful time, when you become mine  
Walking in a winter wonderland

Gone astray are the ex-virals  
Make them gay and learn to smile  
Make them sing a song learned only from Phong  
Walking in a winter wonderland

In the sector that is known as Baudway  
We'll have a merry time there today  
At Dot's Diner we see that everyone  
Are in good spirits and are having fun

In Kits, Bob is humming  
Luckily he's not singing  
And we'll laugh out loud  
Cause he's such a clown  
Walking in a winter wonderland

In the park we can keep on walking  
And enjoy the magic in the air  
See the binomes and hear their singing  
And we'll decide to stay a while and stare

Walking on snow is awesome  
Beneath your feet hear the crunchin'  
We'll enjoy our time which was so sublime
