1 - End of School. For Winter

Miss Bitter's was ranting about the evils of the commercialism in Christmas. Nothing out of ordinary in this class. Although I'm trying to block out her ranting. I want this Christmas to be awesome! This will be the first Christmas with ZIM so it should be really special. I blushed thinking about it.

Miss Bitter's: Crystal get those happy holiday thoughts out of your head!

I woke out of my happy place to find the class staring and the teacher glaring.

"What did you say Miss. Bitter's?"

She was about to yell at me when the bell rang. NO MORE SCHOOL! Well until next year.

All the other kids were getting their coats and hats and such, so they were clogging up the coat closet.

Luckily I hid my coat under my desk and had my hat in my desk.

I got my stuff on and waited for ZIM who was trying to get out of the kid clogged coat closet.

"Okay ZIM are you ready to go home?"

"Yes, Crystal we should get home before Gir blows the house up again."

We were walking outside when we heard someone behind us, it was the overly happy kid Keef.

"Hey ZIM, Crystal wait up!"

I looked over to ZIM, "Should we run, or stand our ground?"

ZIM thought for a moment, picked me up over his head and took off running.

After a while it started getting really cold, mostly because it started to snow. Zim was still running with me over his head. "ZIM you can put me down, Keef's gone."

"Crystal I wasn't worried about Keef, the snow is frozen water which will burn me!"

"oh okay, we're home so PLEASE PUT ME DOWN!"

He put me down as we reached the door. He opened the door and there was Mini moose in a santa outfit.

"Mini Moose why are you dressed as Santa?" I asked

"Nyeh" Said Mini Moose

"Mini Moose said that he took a job as a store Santa." Said ZIM, I never understood how ZIM could understand Mini Moose.

"Mini Moose where's Gir?" ZIM asked.

"Nyeh"

"He went to go get a Christmas tree?" ZIM frowned, "Right Christmas is coming around. I should decorate the base so it would seem normal." He walked into the kitchen and disappeared into the lab.

I turned to face Mini moose, "mini Moose I'm going to buy presents If you get back from being Santa before I get back tell Gir to make Dinner."

"Nyeh" At that moment Mini Moose left, I grabbed my wallet and left too.

So how did you like that? ZIM and others are owned by Jhnoen Vasquez

2 - Stay At Dib's house

Coming home from the mall is probably the toughest thing I have ever done. My clothes are torn, I'm cold, and I'm broke from shopping at the last minute. I came to the house. "Well at least I'm home, where I can get warmed up." I turned the knob when the base blew up... again.

GIR was crying inside because ZIM was yelling his head off at GIR.

ZIM: WHY, WHY GIR! WHY DID YOU BLOW UP MY BASE AGAIN! NOW WE HAVE TO REBUILD IT. IT WILL TAKE UNTIL TOMORROW!

I came into the ruined house. "What until tomorrow?! But tomorrow is Christmas eve!"

ZIM noticed that I was standing there. "Oh Crystal! Yes the repairs aren't going to be done till tomorrow." "where are we going to sleep then?"

I looked behind ZIM. The entry ways to the underground was blocked.

ZIM pondered, "We could stay with a hobo..."

"No not a hobo ZIM... why not Dib-"

"NOT THE HORRIBLE PIG HUMAN!"

I hugged ZIM, "Please where else could we sleep?"

ZIM pondered once more. "alright let's go to the Dib's base.

AT Dib's house

Dib: "So what you're saying is that your base blew up again and you need somewhere to stay?"

I nodded Me, ZIM, GIR, and Mini Moose stood at Dib's door. I still had the stuff I bought for wrapping.

Dib opened the door wider, "Crystal YOU can stay, ZIM can't." Dib stuck his tongue at ZIM

ZIM started yelling, "FOOLISH DIB, ZIM and Crystal we are a package. If she stays, I stay!"

Gaz appeared next to Dib, "Oh Dib just let them in, Dad called he's not coming home tonight, we might as well have company over."

Dib began to protest but Gaz silenced him with a growl.

We entered the living room where I sat my packages to the ground.

Gaz went to the kitchen to find a snack. She grabbed one then came back to the living room.

"So Crystal, the things in the bag are those presents?" Gaz asked.

"Yeah but I have to wrap them."

"There's wrapping paper and bows in the closet upstairs." Gaz pointed up the stairs.

"Thanks Gaz" I said. I went up the stairs to the closet. I opened it then grabbed some wrapping paper and bows. Then headed back downstairs. I walked to the kitchen where I would be wrapping, I looked over to the others. GIR was watching Mysterious Mysteries of Strange Mysteries with Dib. ZIM was reading a comic, Mini moose was... floating around.

A While later

After the last present was wrapped I looked at the clock. It read 12:01

"Wow, that present wrapping took a while, I where to sleep?"

I went to the living room to see that GIR was sleeping along with Mini moose. But ZIM was still wide awake. He saw me and said, "Oh Crystal, Dib-filth and his sister didn't want to bother you so they slept upstairs."

"Why aren't you asleep ZIM?" I yawned

"Silly human, ZIM needs no sleep."

I walked over to ZIM who was on the couch, "well you won't mind if I sleep on the couch right?"

ZIM scooted over to make room for me. Then he jumped off.

I climbed onto the couch then laid down. Soon asleep
