1 - What happened to the poor rabbit

The Silly Rabbit went shopping at a grocery store, when he came across the dairy section! He then thought in his head, "Hey.. Maybe I won't TAKE Trix yogert from kids.. But buy it here!" He then excitedly walked quickly to the yogert section, and eyed at the Trix Yogert. A few people were around him, and they eyed him strangely. Without hesitation, the silly rabbit grabbed the whole entire stock of the children's yogert.. And rushed in happiness through the whole store heading in for the check out counter. He put all of his trix yogert on the counter, and put on a hat and mustache from out of nowhere, to descuse himself. The man who was checking his stuff out, rolled his eyes, seeing through his descuse. But he let him go anyway, because he felt bad for the rabbit. "\$4.26 sir.." The Silly Rabbit looked at the man suprised. "OH!" He then said, taking the money out of his pocket. He then gave it to the man, and he took his bag full of trix yogert.

At home, he was about to eat his yogert, so he said, "FINALLY FROM ALL THESE YEARS.." He then took a bite, and he loved every minute of it. He then took another scoop, and then a nother scoop, and then a nother until it was all gone. He then got a big wave of yogert buzz, and took another yogert and ate that one. Meanwhile, children were outside his window watching him indulge himself in the tasty treats. They just shook their heads in disapointment. The silly rabbit was eating every yogert container he baught. After his last one, he went crazy. He was getting fat too! Anyway, he then bursted out the door to the store again. A few minutes later, he came home with several bags! He ate all of THOSE yogert containers.

This went on for about a week, and once the kids came back to see what he looked like, they were shocked out of their mind when they saw him out the window. There he was.. The silly rabbit watching TV eating more trix yogert. He was real fat too! He was so fat, he couldn't go out the door. He couldn't get out of the house! And then, suddenly he got a pain in his arm! HE WAS GETTING A HEART ATTACK!!! He then passed out because he also got diabetes cause of his sudden quick weight gain. The children gasped in panic, and knocked the door down. The rabbit was on the ground not moving. "Silly rabbit! WE TOLD YOU TRIX ARE FOR KIDS!!!" The kids all said at once. One of the girls checked his pulse. Out cold. She looked down closing her eyes, shaking her head. "Poor thing." She then said. Then another kid ran in excited, "HEY GUYS! THIS DOG IS TRYING TO TAKE JIMMY'S COOKIE CRISP! LETS GO WATCH!" Everybody suddenly got all cheerful excited for the new victom of the evil cerial brands for children, and blabbered on loudly in excitement, running out of the house. In conclusion... Silly rabbit! Trix are for kids! If the silly rabbit got a hold of trix yogert.. It would lead on to a week later getting diabetes, a heart attack, and a sad yet funny story. This is what would happen, if the silly rabbit got the trix yogert.
