## 1 - For the First Time

For the first time  
I realized how bright  
His eyes sparkled  
For the first time  
I felt the warmth of his hand  
For the first time  
I felt his gentle  
heartbeat  
In mine  
For the first time  
I realized I loved him

## 2 - Fear

I'm not afraid of anything  
Not the face of death  
Not the pain of lies  
Not the pain of losing a loved one  
They are all a part of me  
They have always lingered  
But there is one thing  
That will force me  
To stand down  
She is my worst enemy  
She is my best friend  
She never leaves me  
By my lonesome  
She is fear  
She is strength  
She is everything that  
Fear is  
Rolled into one person  
She is me
