Chapter 1 - Finding Tiff	2
Chapter 2 - At the Castle	3

1 - Finding Tiff

"Help!"

I heard a voice cry. It was Tiff. I ran out the door. Running as fast as I could.

"Curse these short legs." I muttered to myself. But then I remembered. My Dimensional Cape! I wrapped myself in it and I appeared on top of a tree. Tiff was hanging by her super long pony tail by the branch under me.

"Meta Knight is here." I told her.

"Oh, thank you!" Tiff said happily as she looked up. I reached over to Galaxia and pulled it out and held the amazing weapon in front of me. "Is Galaxia a girl?" I thought to myself. "Meta Knight?" Tiff asked, sounding annoyed.

"Oh, yes, sorry" I sliced the rope that was attached to her and she fell to the ground. Before she could hit the ground with a large thud, I used my cape to transport under her and caught her in my arms.

"Oh thank you Meta Knight." She said sweetly as she hugged me.

"How did you even get up there?" I asked, a little weirded out by her sudden hug.

"Well, Dedede's at it again. I was walking to Kirby's and Dedede and Escargoon jumped out in front of me tied me up and put me in this tree. They must have took Kirby! And I'm too far away to call for Kabu."

"I see. Kirby is in serious trouble."

"I know, so.....let's get a move on!!!"

"Very well." I said to her. We needed to hurry, fast! But I can't show her I can transport! What to do?

"We'd better get moving, you run to Kappy Town and I'll meet up with you, I need to see something." "Alright." Tiff said cheerfully as she ran off. "Don't be late!" She called. I took a quick look at the tree. Sure enough, I found that the rope that was attached to Tiff was very badly tied. "Dedede." Mumbled as I shook my head. That weirdo. And off I transported to Kappy Town.

2 - At the Castle

I appeared silently in a tree by the entrance. In the distance, I saw Tiff running. As she approached, I hopped down from the tree.

"Meta Knight!" She gasped, out of air. "You're fast!" I nodded and off we ran up to King Dedede's castle.

When we reached the door, there were Waddle Dees guarding the castle. I nodded to them and they nodded back.

"Good morning Sir Meta Knight. Good morning Miss Tiff." They said as they opened the door. I nodded to them as we walked in and turned to them.

"Where is Dedede?" I asked them.

"The King is in his room sir."

"Thank you." We ran up the stairs and to Dedede's room. Tiff was about to barge in, but I stopped her and knocked on the door. Tiff rolled her eyes.

"Dedede's not here right now! Err, leave a message after the beep!" And then there was a big BOOM!

"Kirby!" Tiff cried. Tuff suddenly came out of no where, at least it seemed, but I bet he just came from the corner of the hall....

"What was that big boom!?"

"Tuff! Kirby's in there! I know it!"

"Tiff, Tuff. You stay back. You hear?"

"Why?"

"Because. Just do it ok?"

"Fine." Tiff and Tuff backed away. I pulled out Galaxia and sliced down the door.
