My girlfriend inspired me to write this one. In my opinion it can be both happy and sad. What do you think?

1 - Untitled

**Is it possible to love enough?
Is it wrong that I want to marry you,
Even though I am only fifteen?**

**I want to hold you tightly in my arms,
And stay with you all day and night.
Every second away from you tears away my heart.**

**I want to protect you from all evil,
And keep you from all harm.
I want to take away all of your pain.**

**But sometimes I still wonder,
Is this all enough?**
