A very short poem I wrote last night while talking on the phone with my girlfriend.

Chapter 1 - Untitled

1 - Untitled

I had a dream a few months ago,
About a girl with perfect hair, perfect lips,
and a perfect personality.
Someone I could hold, someone I could trust,
And someone I could talk to.
I wish this dream would last forever,
I wish it would come true.
Now I realize it already has,
All because I met you.
