A sonnet that asks the question "What if?" Once again inspired by my girlfriend.

1 - Untitled

What if I had chosen a different path,
And never would've met you?
What if I had just passed you by,
And never stopped to talk to you?

What if you had not chosen to be there,
And never would've been found by me?
What if you had just to ignored me,
And never listened to what I said?

What if we had became more distant,
And never had what we have now?
What if we had forgotten that day?
Would I still be here today?
I guess I just want to say...
I love you.
