Chapter 1 - Lets Pretend

1 - Lets Pretend

Lets Pretend

So lets pretend
Like when we were kids
Lets hope the imagination is still there
Look at me and pretend you still love me
When you really don't
I watch your action change
You don't need me anymore

I pretend you still love me
That you still care
Even though you're never there
Through my broken heart
Shattered tears
I try to move on
I see the ring
That meant so much to me
But now is no longer worn

I don't want to get out of bed
don't want to eat
What am I suppose to do?
I'm in defeat

You don't love me
Or need me anymore
Why string me along
And act as if you do?
Why cant I breathe?
Why cant I move?
Why don't I have control
And you do?

So lets pretend
Lets pretend nothing has changed

When things can never be the same...
