Demons try to take me.
Yet I stay fibaly.
My soul is strong,
None can see,
What Demons feast apon me.
Me and Demons,
I do control,
For I am the Godess ,
That no one knows
hahaha
Can't you see?
I'm unstopable,
For you and not for thy...
murderers are everywhere ,
but I'm the deadly one...
you people seek.

Why is it that people, never understand?
Is it like something you're born with?
Or not?
Why do we, always wonder?
Pondering things, that are useless?
Or are they useless?
Why do we try to uncover mysteries?
Curious, maybe?
Or is it something we can't comprehend?
What happens after we've discovered ALL the mysteries?
What do we do next?
Are spirits real?
Ghosts?
Or do people just make-believe these things?
How is violence always the way out?
Or is there really even a thing such as peace?
Is it just a figment of everyone's imagination?
Or not?
Is the world even real?
Or is it just all just a dream?
When you die...do you REALLY die?
What's next?
Nobody knows, but why?
Is it something we can't understand?
If God is real, why does 'He' make us die?
Then isn't 'He' the real murderer!?!
Are there really angels and devils?
Or are they fantasy?
Are they real, if so then why can't we see them?
Why do we ask these questions and others?
Can we comprehend... or not?
Is there magic, or other lifeforms?
What's beyond space?
Or beyond our galaxy?
Why do thoughts cross our mind, and stay?
Why do we even live, when we know we're going to die, anyways?
Why do things happen?
Is history repeating itself?

Or is there really even history?

No one knows... or do they?

It's up to this generation to answer these questions...

Everyone asks!!!!
