1 - Chapter !

Touring through Disaster by **Neema**

Chapter 1

"Yuki-i-i. . . . I miss my Yuki," Shuichi whined, tears flowed his cheeks like cheeks like waterfalls as he stared out the window of the *Bad Luck* tour bus, speeding down a highway. Hiro glanced at him and faintly smiled.

"Don't worry, Shuichi," he said. "You're gonna see him in a few hours."

"But a few hours is *too* long!" cried Shuichi. "I want to see him now, even if I have to jet out of this to get to him!"

"Do you *even* know where Yuki is?" asked Suguru, who was sitting across from Hiro and Shuichi. Shuichi stopped crying and went blank. "Um . . . well, no," he admitted.

"We're going where Yuki is staying for a few weeks," Hiro sighed. "You know, Domino City."

"Domino City?" said Shuichi with a dumb look on his face. "Where is that?" Hiro just then smiled as he pointed out the window. Shuichi looked out and saw the skyscrapers getting closer.

"All right, Bad Luck!" K, the manager, exclaimed as he he entered the back of the bus. "Welcolme to Domino City!"

Shuichi, Hiro, and Suguru stared at K for a moment. "Uh . . . who's driving the bus?" Shuichi asked, wide-eyed.

Good thing their producer, Sakano, grabbed the wheel just in time to dodge a nearby car.

2 - Chapter 2

Touring through Disaster by **Neema**

Chapter 2

"We made it! We made it in one piece!" Sakano exclaimed dramatically, kneeling the sidewalk as he kissed the ground.

"Uh, it's all right, Sakano-san," Hiro smiled nervously before turning around. "Shuichi, don't sneak off-" But Shuichi must had snuck off after everybody left the bus.

"I knew he'll do this," K said as he cocked his sniper gun. "Leave it to me." After stealing a motorcycle, K sped off. "I hope he doesn't shoot someone," Suguru frowned as Sakano wailed uncontrollably.

=====

"Yuki! Yuki, where are you!?" Shuichi yelled as he walked through the busy crowds. The bright pink-haired singer continued yelling until he reached the central part of the city. He looked up at the huge clock on the pole. "2:30," Shuichi sighed as he sat on a bench. It must had been over an hour since Bad Luck arrived here. *Yuki*, Shuichi thought, hanging his head sadly. *Yuki, I want you here with me.*

"Excuse me, are you lost?"

Shuichi looked up and saw two boys with spikey, black and red hair with golden bangs. The smaller boy had big violet eyes and was wearing a high school uniform. The taller one had narrowed, crimson eyes and was wearing a black shirt and pants.

"Y-yeah, I'm okay," Shuichi mumbled. "Why are you wearing a high school uniform, little boy?" The smaller boy slightly flushed with anger, but said nothing.

"He's actually sixteen, really," said the older boy. "My name is Yami and this is Yugi." (i wont used his real name until the next fanfic)

"My name's Shuichi," Shuichi replied. "I'm not from here, so I'm lost."

"Maybe we can help you," said Yugi. "I have a cell phone, but it's dead. We have to go to my grandpa's store."

"Okay," Shuichi said, smiling a little.

=====

Didn't want to get lost, Hiro, Suguru, and Sakano waited for Shuichi to come back. Sakano, as usual, made tea to calm himself down while Hiro tuned his guitar. "I wish Shindou-san wouldn't run off everytime we stopped in a new city," Sakano sadly sighed.

"You shouldn't worry so much, Sakano-san," Hiro mused. The last time it happened, it only lasted four days." Suddenly, Hiro's cell phone rang and he took it out of his pocket. "*Mushi-mushi?*" he answered.(that's how you answer the phone in Japanese)

"Hiro, it's me, Shuichi."

"Shuichi?" Hiro said, leaving Sakano crying joyfully. "Where are you?"

"I'm in a game shop," Shuichi said. "It shouldn't be too hard to find. There's a picture of a turtle at the door."

"Okay we'll be right there."
