# 1 - Alone At Last

## Alone At Last

Sango and Miroku were at the demon slayers village so Sango could fix up her village, give her dead family prays, and to re-mark the graves. And so Miroku could spend some time alone with Sango. If you know what I mean ^\_~. Kilala tending to the kingdom for a while,, Shippo was with Keade in her village with Nekome, and The Thirteen Demons were out on one of there own missions. Before they left Nekoyasha had told the group that they may not be back for two to three weeks. Everyone agreed that they to would be gone for that lone as well. Nekoyasha didn't tell them what the mission was but that it would put Inuyasha and everyone else in danger. So they all then started going there separet ways. And so, with at Nekoyasha and her band of demons took off into the sky. But before Nekoyasha followed her fellow friends she made shore everyone was gone exept for Inuaysha and Kagome and then told Kagome a secret. Not even Inuyasha's ears could pick up the words coming from her furry lips. Then, she gave them both a sispishus, creepy and yet REALLY happy look and smile, then went after her band of demons. Everyone left Inuyasha and Kagome alown for quite a while. Two to three weeks to be exact. Secse Sango and Miroku will take a while, Shippo has another girl firend, Nekome is trying to help Shippo out, and give Inuaysha and Kagome some alone time, and Kilalas' trying to patch up some damege that was done to the kingdom. Kagome was now a half dog demon like Inuyasha. She had black furry doggy ears and a black, long, furry, bushy, puffy, fluffy tail. Plus her hair stade black. And of coures she had fangs, claws, hazil eyes, and a hot temper like any other half dog demon would. But she seemed to still show how she felt. Not like Inuyasha how kept his emotions botiled up inside him. Inuyasha and Kagome were off in the woods. Quite some distence away from any people, town, city, or village. Kagome was leading. "Kagome where are we going?" "You'll see Inuyahsa." Kagome said sweetly. Inuyahsa was starting to get sispishous. Ispeshoily when he picked up her sent. She was starting to get exited and yet worried and fritened. He couldn't understand why she was acting like this. Inuyahsa looked at Kagome's back and knowtest her tail was wagging with exitment. "Kagome are you alright?" Inuyahsa asks now starting to get worried. "Like I told you, you'll see." Kagome said again sweetly, but this time with a giggle. Then she stopped in front of some bushes. "Where here." "Huh? Wheres here Kagome?" Inuaysha asked. Kagome giggled again then moved the bushes out of the way and reveuled a big hot spring. "So what. Its just a hot spring." Inuyasha says with a atittude. Kagome giggled again and wagged her tail even faster. Kagome stuck her nose up in the air and sniffed. "Come!" She shouted darting off twords a side of a cliff a few feet away from the hot spring. She stopped in front of quite a few bushes. Inuyasha walked over to her. Kagome looked at the bushes, then back at him as if to tell him something. "What!?" Inuyasha says in confution. Kagome had a smile on her face and her eyes were filled with happness. She was panting heavily and her tail was wagging like crazy. "Well, come on." She said then went on her hands and knees and started to crawl into the bushes. When she did Inuyahsa couldn't help but stair at her butt and giggle slitly as her tail stuck strate up into the air forsing her skirt to move up and reveiling her light pink underwear. Inuyasha couldn't help but grin. Then he shock he's head to try and get a thought out of his mind. 'I've got to stop this. I'm getting as bad as the monk.' Inuyasha thought to himself with worried eyes. Kagome then disipered. "Kagome!?" Inuaysha yelled in a worried voice. "Inuyahsa I'm in here!" "Wheres here!?" Inuyasha asked yelling back. "Crawl into the bushes!" Kagome yelled from what sounded like a cave because of an eco. Inuyasha started to crawl on his hands and knees into the bushes and knowtest an opening a few inches behind them just

big eught to crawl throu. He entered inside the hole. About two inches seperated his back from the seling of the entrense. The hole was five to six feet long, then you were in side the cave. The inside of the cave was enormus. It was probbly thirty to forty feet long and wide. Inuyahsa started to smell that Kagome was extremly nerves. But he didn't know why. So Inuyahsa walked up to Kagome who was now figiting with the end of her tail nervisly. Her back was facing him. "Kagome, whats wrong." Kagome's heart started to pound. Kagome with her back still facing Inuyahsa replied "I think, I'll go take a dip in the hot spiring." She dropped her backpack to the right side of her and dug throu it to find her towil. She then pulled out her sleeping back and placed it on the ground and smoothined it out. She stood back up then started walking to the exit of the cave with her white towil in her right arm. When she bent down to crawl out she wispered "Why don't you come join me" then left. Inuyahsa was suprised at what she had just said. "Did she just say....I could join her." A smile started to form on his lips. Then, without hezitation Inuyahsa quickly undressed and went to follow Kagome but then stopped, turned around and grabed his red fire rat kemono. He didn't know way but his instics told him to. So he listened to them then went after her. Inuyahsa was behind a tree obzerving Kagome. Both naked of cores. She was already in the warm water up to her waste. Her tail floted on the surface and her left side was facing him. She stood there in the water looking down at it for almost ten minets doing nothing but seemed to be waiting. And every now and then she'd look twords where the cave us and try to listen for something. 'What is she doing. Is she wating for me?' Inuyasha thought while still watching his loved one. His eyes grew wide because of what Kagome did and said next. "Huuuh" Kagome sighed deeply, sadly and had a sad and disipointed look on her face. "I thought he'd come. Huh! How was I kidding. I can't beleve I thought me and Inuyahsa could start getting closer. I was hopping I'd became his mate tonight. Huuuuh" Kagome sighed again sadly and with even more disipointment. "I gess I can always still dream. He probble is still thinking a little bit about Kikyo. Thats why he probble didn't come." Kagome said as she turned her bair back twords Inuyasha. Inuaysha could then smell water and a hint of salt. She was crying. Inuaysha eyes widened in suprice. Then Kagome took a beep breath and went under water. Inuyasha was uterly shocked. "Did she just say she wanted to become my mate tonight" Inuyasha said in a low wisper. "She did. She said she'd be my mate!" Inuyasha started to smile with joy and he lit up with happenss. "She feels the same way." He said again in a wisper. "But I got to convins her I want her not Kikyo." Inuyasha then placed the kemono to the side of the tree in the bushes and then walked from behind the tree and stepped into the water. He kept going till he to was waste deep. Then Kagome popped up right in front of him. Kagome started to wipe the water and wet hair out of her face. She then felt a presense, like some one was behind her. Kagome worled around and was cought by a pair of warm, smooth, loving, and welcoming arms. Her head was sideways agenst a bear, musculer cheat. "Inu.....yasha?" "Kagome, I heard what you said. Are you shour about tonight?" Kagome was suprised and shocked. But she then nodded her head. "Yes" Kagome said softly with a smile. Inuyahsa relested her and there eyes locked for moments. Then Kagome leaned in and they both shaired a long and passionible kiss. A few minutes later Inuyasha broke the kiss. "I love you Inuyahsa." Kagome said with a big smile on her lips. Inuyahsa picked up his right hand and used it to stroke her ravin black hair. He used that same hand and lifted her chin, looked deep within her pools of hazil and said sweetly with a smile "I love you too Kagome." Kagome smiled widly showing her pirly white fangs. Inuyahsa did to same. Inuyasha closed his eyes and lunged for Kagome's lips. He kissed her with such romance. He started to move forwered forsing her to move back. They were in the shalow water now. Right up against the shor still standing. Then Kagome broke the kiss and pushed Inuyahsa and her self away. "Kagome....whats wrong?" Inuyasha asked VERY worried, cureus and conserend. Kagome looked fritened, worried, sad, nerves, and scaired. "Kagome, whats wroung?" Inuyahsa asked again but this time pleading for an answer. "I'm.....scaired Inuyasha. I want to stay, but, my body is yelling at my to run." She was really worried now. She hands were curled up in her chest. Kagome was looking around frantically for a way out. She was looking for an

exit. A place to run. To get away from him. Then Inuyasha picked up her sent. And it wasn't good. 'Oh damn. Shes in heat. I've got to came her down, and fast' Inuyasha thought to him self. Just as Kagome was about to bult Inuyasha grabed her left wrist with his right hand and pulled her into himself to embrace her. He could feel her mucels tighten and hear her heart racing. "Inuyasha please.....!" Kagome said strugeling trying to get away. "Kagome." Inuyasha said softly. Kagome stopped strugeling and looked up into her loved ones eyes. She was scaired and sad. She didn't want to leave but her body told her otherways. Inuyasha lifted her chin again and show her his amber eyes. And so he could see her's. Kagome looked sad, disipointed, ashamed with her self. She tryed to look away but Inuyasha wouldn't let her. She then gave in and looked him strate in his eyes. She was starting to cry again. He looked at her with a little smile on his lips, happyness on his face, and ushorness in his eyes. Kagome's eyes started to water up even more. "Inuyasha, I'm sorry. I just got so fritened and....." She couldn't finish her sentence because her lips were sealed by his. He held the kiss for a few moments, to show her that it was alright. To tell her that everything would be fine. Her lips became un-intensed and she sucome to the kiss. They both broke the kiss and slowly opened theres eyes to stair into each others. Kagome licked her lips, to taste the remaining of his. "Inuyasha please, I'm...." Her lips were stopped again. But this time Inuyasha had placed his right hands pointer, clawed finger on her lips. "Shhhhhhhh. It's ok. I think I know how you must feel. But everythings going to be alright." He then pulled Kagome into him, places her head sideways on his chest and lying his head in top of her's. His lips right next to her left ear. He then speaks into it. "I'd never hurt you and I never will Kagome. Your the one I want." "But, Kikyo....." "Forget about Kikyo. She's not you and your not her. And I'm grateful for that." "Why?" Kagome asked looking up twords Inuyasha. Inuyasha took a DEEP breath. "Kikyo never smiled the way you do twords me. She never seemed happy. She never tryed to take care of me. She never shed tears for me. She never made me feel so alive, so happy, so peaceful and make me want to shed tears for her. She never put herself....her life in danger for me. She never tried to show me that she loved me as much as you have. She never trusted me. Which you can tell from the way things turned out. And I'm glad they did. And most of all..... She seemed to care who I really was and how I looked. Thats way she tryed to convins me to become a human. She tryed to take away who I really was and still am. But.... But you.... You didn't cared. You never cared. For how I looked. You shed tears for me. You made me smile. You made my heart warm, my anger and hatered go away. You made me laught. You risked your own life and put it in sereus danger for me. You cared to my wounds, wether you could see them or not." (means Kagome cared to his cut wounds and wounds by words, memories, or emotions) "You made me happy. You showed me that I could trust again. Trust others, trust you, and you could trust me. You showed signs that you loved me, but, but I..... I was to blined, stuk up, stuberen, being a jurk, and a fool to even knowtest. But our friends did. They told me in many ways and I still didn't listen. You were also the only one besides my mother to made me feel so peaceful, so alive. So glad to even BE alive. You were always the one beside me side no matter what happened. You bleed for me. And most of all..... You never caired for what I was or became. You loved all of me. Wether I became a blood theresty demon....an emotionul human....or even a jurk of a half demon. You were always there for me. When others were fritened by me, shuned me away, forced me away from my home, dispised me because I was a half breed, and some tryed to turn me into something I didn't really want to be. That's why I'm glad your you and not Kikyo. Your better then her. Thats why I love you. You care for my soul and me. Kikyo, never did." That sealed it. Kagome begain to cry like crazy. She fell to her knees in the warm water covering her face with her hands and crying non stop. Inuyasha felt shatered. He thought telling Kagome how he really felt would make her happy, but it seemed to make her even more sad. Inuyasha bent down and went to try and comfort her and apoligize, but she then lifted her head out of her hands and knees. She was smiling and laughing slitly. "Kagome? But I thought you were.....?" "No Inuyasha. These are tears of happness. Tears of joy. I never thought you loved me like that. I'm so happy. So happy I

could die right here right now." "Don't say that Kagome." Inuyasha says as he puts his hands on the sides of her arms. "Then I would be alone again. And if you died, then....I'd die to. Just to follow you so we would still be together. I can't live without you Kagome." Kagome smiles and goes to look into Inuyasha's eyes. When she does she knows he was sweating. She tried to pick up his shirt and when she did, she smelt resistance. His eyes showed it too. He was trying to keep his sight locked to her eyes. She smile widened, and moved her head to the side and giggled. "Whats so funny?" Inuyasha asks smiling back at her. Kagome faces him again still smiling widely. "You." "Me?!" Inuyasha says in surprise. "Whats so funny about me?" Kagome looks at him with a look that says don't play dumb with me. "What are you trying to resist from doing?" Inuyasha smiles widely and says "If you really must know, it's that I'm trying to resist from going crazy and having you like a wild animal." "And whats wrong with that?" Kagome says pleasantly and sweetly. Inuyasha cups her chin in her right hand. "Do you really want me to go wild on you?" "I'm not going to stop you." Inuyasha was shocked. He never thought Kagome would say anything like that. 'She's brobber having the edge' he thought to himself. "And if your thinking I'm acting like this because of some edge, your wrong. Inuyasha flinched back in surprise. "How did you know....." "Please Inuyasha. I know you." Inuyasha smiles and gives a little chuckle. Kagome then takes her arms and raps them around Inuyasha's neck, pulls her body into him and rests her forehead on his. "I'm not acting like this because of some edge." She looks deep into his eyes. "I'm acting like this because I want you." She says in a pleading puppy way. Inuyasha could resist no more. He then rapped his arms around her waist and placed his hands on her bare butt. "I want you to." He says. Inuyasha starts to examine her face and tried to pick up her shirt to see if she really would allow him to have her. He smelt it. And it was the invitation he had been waiting for, for a LONG, LONG time. He gave her a big smile. She gave him one back. Their lips slowly met. Inuyasha then gently push Kagome to the ground on her back. Him on top, her on the bottom. Inuyasha hovered over her, kissing her with such passion. Kagome moaned lightly as they frenched each other. Inuyasha then started slowly kissing and tonguing down to her neck, between her breasts, on her stomach, and to her pelvis. Kagome moaned a little louder with pleasure. ....

Inuyasha then gently push Kagome to the ground on her back. Him on top, her on the bottom. Inuyasha hovered over her, kissing her with such passion. Kagome moaned lightly as they frenched each other. Inuyasha then started slowly kissing and tonguing down to her neck, between her breasts, on her stomach, and to her pelvis. Kagome moaned a little louder with pleasure. Inuyasha licked back up to her stomach and started sucking in the middle of it. He did that for about two minutes. Then Inuyasha lick up her stomach back up to her lips. He licked her outer lower lip, begging for entry. Kagome knew it, so she started to play. As Inuyasha was begging and got closer to getting his tongue into her mouth Kagome moved her head to the side so instead Inuyasha would get her neck. Inuyasha did so. He tongued and kissed her neck then started up again. When he got near her lips he begged for entry again but this time he also started whining like a little puppy. Kagome couldn't help but smile and laugh lightly. So she moved her head back over in front of Inuyasha and she let him enter. Inuyasha was pleased. Their tongues danced inside each others mouths. Their heads moved around as they kissed each other. Inuyasha then pulled back. "This is a practice" he said. He stuck one of his fingers into her. She moaned with pleasure. Inuyasha then put in another finger and went deeper. Kagome let out a slight gasp, then moaned. Inuyasha then took his fingers out of her and looked at her worriedly. "Kagome, are you sure you're ready, or even want to do this." Inuyasha asked with a little worry in his voice. He even looked worried, afraid of what Kagome might say. Kagome smiled. She took her right hand and began to pet Inuyasha's left doggy ear. Inuyasha closed his eyes and a low and deep purr came from his throat. Kagome then stopped and put that same hand on Inuyasha's left cheek and began to stroke it. Inuyasha opened his eyes and looked again at the woman he loved. "Inuyasha, if I didn't want this, would I still be here?" "No but..." "But what Inuyasha? Do you know what? I have been waiting for this moment for a very long time. And I'm not about to lose it. I am ready. And I want to do this. I'm not backing down. I love you and I want to prove it. Sure I'm afraid, but what about the future? What will it hold. I want to become yours Inuyasha. And only yours for ever." Inuyasha smiled with happiness and relief. Kagome opened her legs wide as Inuyasha hovered over her. Kagome looked at it. It was six inches long. He was about to do it, but he was hesitating. "Inuyasha?" He looks down at her. "Go ahead. Take me" she says. He smiled again. "Alright Kagome, this might hurt a bit, but if you need to, you can scratch me." Kagome nodded. Her arms were placed above her to the side, next to her head. She got ready in a comfortable position. "Ready" she said. Inuyasha then slowly began pushing his penis into her vagina. Kagome gasped at first then started to moan and groan. Inuyasha then went deeper and he broke through the barrier she had been saving for him. Kagome then let out a shriek of pain and yet pleasure as well. "AHHHHHHHHOOOOOOOOHH!!!!!" Inuyasha quickly took his penis out. "I'm sorry Kagome. Did I hurt you?" "Yes....but....ohhh...please keep going" she said a little out of breath. Inuyasha smiled and put his penis back in her. Kagome let out another shriek of pain and pleasure. "Deeper....." Kagome said. Inuyasha listened. Once he was fully in her Inuyasha began pumping his penis in and out of her slowly. Then he got faster and faster. Kagome moaned and groaned even more. "Oh yes. OOOH yes." Kagome said. Inuyasha pulled his penis out and wanted to put it in again but Kagome grabbed it before it entered her again. She then jammed it into her. This made her push her head up on the ground and forced her chest up. She gave a loud moan. "OOOOOOOOOOOOOOOOOOH" She brought her head back down, lifted it

up to look at Inuyasha, lowered her chest, and let go of the little remainder of his dick that was left out of her. Kagome was breathing heavily. She then said "Leave it in..... Please?" Inuyasha smiled and said "Alright." Kagome then plopped back down on the watery ground panting. "Are you ready Kagome?" Inuyasha asked. "I was born ready" Kagome answered. Inuyasha couldn't help but smile widely at Kagome's face. Inuyasha then began humping her. Kagome moved her head up, down, left, and right and at the same time moaning and groaning loudly with utter pleasure. OOOOOOH YES! OOOOOOOOH YES!!! MORE! MORE!!! HARDER!! HARDER!!!! She moaned. It felt so good to her that she rapped her legs around Inuyasha's waist. Inuyasha was glad he could finally give the woman he loved for so long and so much the pleasure he had been waiting to give for an eternity. Inuyasha continued to pump up and down. Kagome then finally joined him. She tried to copy his rhythm. Once she got it they were both humping in the shallow water. The water was splashing around them and they were creating medium size waves. OOOOOOOOOHH!!! Kagome shrieked. When she did she moved her hands and grabbed Inuyasha's back. She started to scream it because of the pain she was feeling. But it felt so good to her at the same time. And she yearned for more. Blood dripped from his sides from the scratches on his back. Inuyasha shut one eye in pain, but ignored it well. Inuyasha then stopped humping her which caused Kagome to stop as well. "Kagome, you ready?" Inuyasha asked panting heavily. "Yes." She was out of breath. "Kagome once we do this your my woman for life. This marking will signify it. You won't be able to see another man. You'll be mine." Kagome removed her left hand from his back and used it to stroke Inuyasha's right cheek. "You're the only man I'll ever want to see and be with Inuyasha." They both smiled at each other. Inuyasha then slowly helped Kagome sit straight up. Her legs still around his waist, and Inuyasha's penis still in Kagome's vagina. Inuyasha then started gently pumping. But even though it was gentle Kagome could still feel it. Inuyasha brought his head next to Kagome's right ear. "Kagome, copy exactly what I do." "All...right" Kagome said as she moaned. Inuyasha then brought his head next to where her neck and collar bone met on the right side. Kagome did the same but went to the left side to where his neck and collar bone met. Then Inuyasha sunk his fangs into her flesh. Kagome did the same to him. They both started sucking each other's blood and Inuyasha kept pumping lightly. They did that for ten seconds. Then they both let each other go at the same time. When Kagome pulled back she looked at Inuyasha. She licked the remainder of his blood off the lips. All of a sudden, she felt ashamed. She had bit the one she loved. But her instincts took over. And she did do what he did like he told her to do. But still, she felt ashamed. She looked away from him, utterly ashamed of herself. Inuyasha knew this so he used his right hand, cupped her chin and turned her head back towards himself. He lifted her chin so she could look into his eyes. She did and he was smiling at her. "Kagome, it's alright. There's nothing to be ashamed of. That's how it was supposed to happen." Kagome started to cheer up. "So guess what Kagome? She looked at him with a little confusion and excitement. "Were mates for life now. What we just did and these marks signify it. And the mark stays forever." Kagome was overwhelmed with happiness now. She lunged for his lips and they began frenching again. But then a breeze swept by and Kagome shivered slightly. Inuyasha felt her shiver, but Kagome ignored it. Inuyasha then pulled back away from the kiss. "What's wrong Inuyasha? Why did you stop?" "Kagome, we should go back to the cave." "Why?" "You were shivering. We can continue this back at the cave. I don't want you getting sick." Kagome was really happy that he cared so much. Inuyasha took his dick out of Kagome and stood up. She stood up next to him. Though they were both a little wobbly, they soon regained their balance. Inuyasha walked over to where he hid his kemono. He grabbed it and walked back towards his now mate. "Here Kagome. So you won't shiver again." He then rapped Kagome in his kemono. "Thank you Inuyasha." Inuyasha then picked up Kagome and started walking back to the cave. ....

## 3 - A Promise

### A Promise

"Were mates for life now." Inuyasha tells her. Kagome was overwhelmed with happiness now. She lunged for his lips and they began frenching again. Kagome began to move with happiness. "Hmph. HMPH!!!!" But then a breeze swept by and Kagome shivered slightly. Inuyasha felt her shiver, but Kagome seemed to ignore it. She wanted to. She didn't care. She finally had him. The one she's loved for so long. But Inuyasha had different plans. He pulled back away from the kiss. Kagome had a really puzzled look on her face. "What's wrong Inuyasha? Why did you pull away?" "Kagome, we should go back to the cave now." "Why?" "You were shivering. We can continue this back at the cave. I don't want you getting sick." Inuyasha said in a worried but sweet way. Kagome was really happy that he cared so much. Inuyasha took his dick out of Kagome and stood up. She stood up next to him. Water dripped from their naked bodies and Kagome's now soaked hair. Inuyasha walked over to where he hid his kemono. He shuffled through the bushes for a while. He then found it and grabbed it and walked back towards his now mate. "Here Kagome. So you won't shiver again." He then rapped Kagome in his warm red kemono. "Thank you Inuyasha." Inuyasha then picked up Kagome and he started walking towards where the cave was with Kagome in his arms. Half way at the cave Inuyasha asked Kagome something. "So, Kagome? Did you like it?" "Huh?" Kagome says in confusion. "Did you like the taste of what my love can do." Kagome realized what he was going at and looked up at him and smiled. "Yes I did." Inuyasha looked back up and gave a big wide and proud smile. "But I wasn't impressed." Kagome said with an attitude and with a fresh tone. He looked back down at Kagome. "What do you mean you weren't impressed?" "Come on Inuyasha!? I know you can do better. Go wild on me. I want to see and feel your best. Give me all your love. I want to see and feel what you're capable of." Inuyasha was stunned. He couldn't believe what she had said. He'd never heard her talk like this before. He wasn't sure if he should like it or be worried about it. "Kagome are you alright? I've never heard you talk like this before." "I'm fine Inuyasha. It's just....I want you. So badly. We began it and had fun but....you didn't give it your all. I was starting to when you stopped me." "Because you were going to get sick if we continued Kagome. And remember, we're going to be alone for two or three weeks. And the days not even half way over. We're just going back to the cave. And how's going to stop me from going wild on you then when we're fully alone with no one to watch, or even better, hear us. Huh!?" Inuyasha asked. Kagome was shocked. She started to blush. She folded her ears back. Her tail began to wag with excitement. Inuyasha could feel the tail slightly brush up against his legs. A proud and happy smile formed on his lips. "You promise you'll go wild on me?" He looked at her, smiled, and said sweetly "I promise Kagome." They finally make it to where the cave is located. Inuyasha places his mate down next to the bushes. She kneels down and starts crawling in. Inuyasha follows right behind her. They both welcome the darkness around them. But....then..... All of a sudden light beams down from the side, opening of the cave. They were big holes. About nine to ten feet wide and tall. Inuyasha and Kagome both looked up at the shiny glimmer of light above them. There were about twenty to thirty big holes. "Wow! That's so pretty." Kagome says. "Huh! Oh no!" "What!? What's wrong!?" Inuyasha asks in panic. "My cloths. I left them by the spring." "Huh!? That's what you scared me for." Inuyasha says a little angry and annoyed. "But Inuyasha, if a demon catches my scent, then it fines me.... I think you might know what will happen then." Kagome says in fear. "Alright! Alright! I'll go get your cloths. And while I'm at it I'll also get some fire wood. You just stay here, and don't worry, everything will be alright. Plus you have something to look forward to

when I return." Kagome's mate says in a sweet and sispishous way smiling. Kagome smiles back then tilts her head to the side, shuts her eyes, and gives a little giggle. "I'll be back." Inuyasha says before leaving the cave. "Be safe!" Kagome shouts out to him as he crals out of the cave. "I will!" he yells back before disipering. Once her mate was gone Kagome went and sat down on her smooth sleeping bag. It was a little cold, but not as much as it was to her before because now she had her lovers kemono on to keep he warm. And soon she'll have *him* to keep her warm. Just thinking about it got Kagome all exited. Her tail began to wag like crazy and her ears were folded to the side. She was *REALLY* exited now. But then the happness broke when she heard a squeel followed by an angry and vishus snort. Kagome's ears perct up right away. Her tail to. Her and her ears were facing the back of the cave where the light couldn't reach. Where darkness surawnded. She listened carefully to what made that warning sound. She moved her head around to try and get a glimps at what was hiding in the darkness. Then all of a sudden, something came charging at her. It gave another loud snort and squeel before it was in veiw. But Kagome saw it at the last second. It's razer shape tuscs went hertiling twords Kagome. It snorted then squeeled one last time. Then...blood flew and splashed every were.

Inuyasha started talking to him self while walking through the forst. Something he rarly did. "Oh Kagome, I'm so happy. Where finily alone together, and best of all were on mates. Now that damn Koga can leave you alone." Inuyasha got to where the bushes were and behind them was the spring. "Ah, there they are." He said then grabed her cloths and went behind the bushes when he heard a noise. He hid behind a tree. "Do you smell it? Where is she?" A squeeky voice asked. "Pashense. We'll fine her soon" a deep voice told the other. "I can't wate, theres a female demon in heat" went the squeeky voice again. Inuyasha peeked around the tree to find two cat demons. One was orange and wearing red armer with a sword on the left side of his waste. The other was gray and also wore red armer and he to had a sword but his was on the right side of his waste. Inuyasha then thought to himself 'What the hell.... Why are two of the Fire Clan cats here.' Both cats stuck there noses in the air and sniffed. "This way!" the deep voice said pointing in the direction of the cave. The two cat demons started running in that direction. 'Oh on. I have to get back to Kagome, and fast' Inuyasha says to himself in his mind in panic.

### Is This the End for Kagome

Both cat demons stuck their noses in the air and sniffed. "This way!" the one in red with the deep voice said pointing in the direction of where the cave was. The two cat demons started running in that direction. 'Oh on! I have to get back to Kagome, and fast!' Inuyasha says to himself in panic in his mind. He turns around and starts running as fast as he could. His balls and dick kept jumping up and down which hurt him but he ignored it. And for good reasons. To save Kagome what else. He jumped over bushes and swerved side to side to avoid trees. When he was a few feet away from the cave entrance he froze in fear. "Kagome." He said softly but sadly. He clenched her cloths that were in his right hand tighter. He then bolted for the cave. He got down on his hands and knees as quickly as he could and crawled in as fast as he could. Inuyasha entered the cave. He stood up and looked around frantically. "Kagome! Kagome!" He yelled for her. Then something caught Inuyasha's eye. There was something lying on the ground on the other side of the cave a few feet away from him. Inuyasha knew it wasn't Kagome because it didn't smell like her, but....yet...it did. Inuyasha walked over to the object on the ground. Not slowly but quickly he walked. When he got to it he knew it had fur. Brown fur around it, and hooves. But what really startled him the most was that he could smell Kagome's blood on whatever it was. But like on a sunny day, light beamed in. Light was now directly on the creature. It was a boar. A big wild boar with enormous tusks that were slightly covered in blood. Inuyasha knew whose blood it belonged to. He started to look around again when... "Inu...yasha?" A faint, low, almost like a whisper, and soft voice came. Inuyasha worked around with incredible speed. Almost losing his footing. And there on the sleeping bag, her body facing the back of the cave but her head facing her mate, Kagome. "Inuyasha....is that you?" She said again faintly. Inuyasha bolted to her. He was now by her side. "I'm here Kagome. What happened?" "That boar attacked me. I killed it, but...." She squeezed her eyes in pain then bent down and started licking her left leg. Inuyasha didn't understand why she was doing that until he looked over her. "HUH! Kagome, your hurt!" Inuyasha shouts out almost like a yell. She continued licking her wound. The blood would stop, but then come seeping out again. "If only we had Nekoyasha here. She could heal you." Inuyasha says still scared because they could not stop the bleeding and there was nothing to cover the wound with. The wound was a big gash going from the middle of her thigh to the middle of her leg. It was also on the inner side of her leg. Kagome stopped licking her wound and said "Inuyasha.....you'll have to stop the bleeding. Remember, you have powers." "So do you." "I'm too tired. I don't have the strength....to summon my power. Are mating...took a lot out of me." Inuyasha had a scared expression. "But....what if I mess up like the last time? What if this time I hurt you?" Kagome tried to put on a happy face. She closed her eyes and smiled. "It's alright. I trust you Inuyasha. I believe in you" were her faint, soft, whisper words before she collapsed and fainted. Kagome! KAGOME! KAGOME!!! Inuyasha yelled, but his Kagome did not awaken. KAGOME! KAGOME! KAGOME! He yelled while shaking her. But she still did not wake up. "Alright Kagome, I'll try." Inuyasha said then tossed her cloths to the side and placed both his hands on her wound. He closed his eye, clenched his teeth, and pushed down hard, but nothing happened. "Please, don't do this, not now." Inuyasha says sadly. Kagome had no movement...and appeared to not be breathing. "Kagome don't leave me!!!!!!!!!!!!!! PLEASE!!" There was no movement and there was no sound. Inuyasha's

eyes filled up with tears in seconds. "Kagome....no" he wispered. Tears come floding down his cheeks. "I'll save you even if it kills me." Inuyasha looks up twords the selling of the cave and clenches his eyes close tight. "DO YOU HEAR ME!!!! KAGOMES' MINE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!" He yells. His words ecowed. Inuyasha then faced the wound with his eyes open wide, filled with tears. Kagome was now lying in a lake of her own blood. Inuyasha then did the most crazy think you could think of. ....

sticks, and if some were too long she broke them in half. And the twigs she just tossed on top. The wood was ready. Kagome went over to her back pack and rummaged through it until she found a lighter. It was getting dark out and it was getting chilly. Kagome had her own clothes on now. Inuyasha was in the sleeping bag rapped up tight asleep. Kagome glanced over at Inuyasha with a sad and lonely look. She then turned her attention back to the fire wood. She lit a stick then tossed it into the wood. A fire slowly started to grow. Kagome put her hands out and warmed herself by the fire. "Ka...go...me" a soft voice came. Kagome worked around and looked at Inuyasha. "Kag...gome. Kag..gome. Kagome." he kept saying as his eyes started fluttering open. Kagome jumped up and ran into the darkness of the cave. "Kagome...Kagome..Huh!" Inuyasha thrust up. "KAGOME!!" he yelled. He was still naked. He looked around and saw his clothes were next to him, then he went looking around for Kagome. Inuyasha got out of the sleeping bag and put his loincloth and pants on. He stood up looking around the cave. He sniffed the air. "Whats this, she's still here in the cave" he said to himself in a whisper. "KAGOME! WERE ARE YOU!?" he yelled. His words echoed through out the cave. He then turned towards the darkness of the cave and sniffed towards there. "Kagome why are you in the darkness?" Inuyasha asked walking towards the back of the cave. "Don't come any closer!" yelled a voice. Inuyasha froze in his tracks. "Kagome, why are you in the dark?" "Please Inuyasha? Don't come near me. I could hurt you again." Kagome said in a voice that said she was crying. "Kagome, what are you talking about, you didn't hurt me." "Yes I did! I bit you now the shoulder and started drinking your blood. I'm a demon. A blood thirsty demon" she said backing up further into the dark. "Kagome, your wrong. Remember recently when I thought you all were sleeping. Nekoyasha called me to her. She spoke to me about revival. She told me in case I needed to use it how to do it. It's simple yet dangerous." It was silent for a while. Then Inuyasha spoke again "She said if someone you care for is on the brink of death and they have a wound the one how's trying to save the one on the brink of death should bite the one that persons' trying to save in the middle of the wound. Now here's where it gets dangerous. The one dying should burst back to life, but they'd be the living dead. The one dying would go for the closest body part and start drinking blood from them to return to the living. But the dangerous thing is, not just anyone can do it..... Only ones of unek demons or half demons can do it. Like us. If others try both would die in the process. But the thing is that this technique drains a lot out of you. I thought you all were sleeping but you followed me. And I bet you were thinking other things cause of why Nekoyasha and I were together. But Kagome...." He took a step further towards the darkness. "You thought wrong. I love you. No one else but you Kagome. I'd never be with another woman and never will so long as I have you. Not even that. Even if you ever were to leave me, my love and loyalty will remain yours. I love you Kagome, no matter what you become, no matter what you do, I'll always be there for you just as you were there for me." It was silent for a moment then Inuyasha heard crying. Kagome came lunging out of the darkness of the cave and clung to her mate. "Inuyasha I'm so sorry. I'm sorry for everything I've done to you." she says as tears pour from her eyes. They embrace each other for quite some time. Then Kagome's stomach rumbled. She looked at Inuyasha and blushed with embarrassment. Inuyasha looked down at her with soft sweet eyes smiling. "Maybe it's time I find you some food. Hey I know..." Inuyasha looked around the cave "Were that boar you killed all by yourself" he said proudly to Kagome. "I ate it" she said softly. "Really!? Your first kill and you didn't save me a piece!?" "Ofcourse I did Inuyasha. I mean what kind of wife would I be killing a big animal like that and not share with my husband." "Husband?" Inuyasha questioned. "Well yeah. Were getting married aren't we? After all, we are now mates for life. Ha ha." Kagome said tilting her head to the right and giving a giggle. Inuyasha looked surprised. 'marriage?' he thought. Then his eyes softened and he smiled. 'If it will make Kagome happy...' "All right. Lets get married." he said. "Ok. But I want it in this world." Inuyasha was stunned. He didn't know why she wanted it here. "No Kagome. Will have it in your world." "Huh? Are you sure Inuyasha?" "Yeah. This way your friends can come and using the portal Nekoyasha found Sango, Miroku, and the others will be able to see your world." Inuyasha said with a smile the whole time. "All

right. Sence you put it that was... The wedding will be in my world." Kagome said then embraced her mate. "Thank you Inuyasha." she said softly. "Your welcome...my love." .....

This way your friends can come and using the portal Nekoyasha found Sango, Miroku, and the others will be able to see your world as well." Inuyasha said with a smile the whole time. "All right. Since you put it that was... The wedding will be in my world." Kagome said then embraced her mate. "Thank you Inuyasha." she said softly. "Your welcome...my love" They held each other for moments non end, until Inuyasha's stomach rumble this time. He blushed with embarrassment. Kagome giggled. "Why's that so funny?" Inuyasha asked curiously. "Well, considering you haven't eaten for four days...I wouldn't be surprised your hungry. "Four days!? I've been out that long!?" "Like you said, saving me took alot out of you, right?" "Yeah, your right about that." Inuyasha says. "So then you used up alot of energy. And your body needed to rest." "I sipose" Inuyasha answered. "But, were did you put the boar so the meat didn't rot." Inuyasha asked. "Over here" Kagome says walking towards the entrance to the darkness of the cave. She then turned around facing Inuyasha. "Theres and little... I mean very little spring, back here. Well, its more like a medium size puddle with a tiny water fall. Or, it was anyway." "Huh!?" Inuyasha said with surprise. "But anyway, I put the boar's body in there." "Why in the hell would you do that?" Inuyasha asked very curiously. "Well cause the water was very cold. And when somethings dead and you want to preserve it, like say meat, you put it where it really cold. That way the cold will keep it fresh. "Ohhhh! I get it. So how much did you eat?" "Not much." Kagome said disappointed. "I mean how could I when I thought I hurt you and was turning into a demon." "But Kagome, you weren't" "But I didn't know that." She sighed then smiled. "But now I do. And best of all, theres plenty. Cause most of the time I was so down I didn't even eat. But now...." Her stomach growled louder and she held it. "I as hungry as every" Her mate smiled and gave a little chocolate and walked next to her in front of the darkness and said "Well, lets get our dinner." He says taking Kagome by the hand. They both enter the darkness of the cave. It wasn't long till they heard water. There their eyes saw through the darkness, were humans couldn't. They finally stopped. "Huh!? I don't get it. Why couldn't we hear it earlier when we were in the light. "I'll show you later. But right now lets get our food." Kagome said. Inuyasha bent down and put his hand in the water. "AHHHHH!!!" he yelled jumping back. "Thats cold. I've never felt water as cold as that." he said again. "Yes the cold caught me by surprise too. But try to endure it." Inuyasha nodded to his mate. This time they both bent down together and put their hands into the water. Inuyasha flinched. The cold rushed through his body. "Hold out Inuyasha" Kagome said. His hands were right above the boar's back legs. "Now Inuyasha! Grab the boar!" Inuyasha grabbed it's

back legs and pulled his hands out of the water as fast as he could. Kagome did the same but had the boar's front legs. They held the boar upside down. Water rushed down off the fur from its back. Water leaked from the boar. "Nice job Inuyasha." Kagome said. "Yeah you too. But, now my hands are numb." "It'll go away soon once we're back by the fire." Kagome and Inuyasha carried the dead boar out of the cave and into the dusky light. The sun was going down and the light was beaming in through the holes. Inuyasha and Kagome layed the boar sideways near the fire. Kagome knelt down next to the boar. Pieces of the boar were already missing. That was where Kagome had eaten, but it was not much. Just a small area where she tore some skin off. "Your right Kagome. You didn't have much. That's not good." "I'm fine Inuyasha. I'm just hungry. Well, let's stop talking and start eating." And so they ate the boar. They didn't even cook it. Inuyasha preferred to eat it raw. Kagome too. Well I mean there are dogs, and they were very hungry. But served pieces of meat they did cook. Anyway, they both were so hungry that barely any of the boar was left. Actually, none was left. Really all there was, was the head, the hooves, and the tail. The rest was bone, and the flesh and meat were torn right off. Kagome and Inuyasha had their last pieces of meat in their hands, and they were good size pieces. Kagome went to take another bite when Inuyasha spoke. "Men Kagome! I think you ate more than me." Kagome stopped and looked at him. "Really Inuyasha. I haven't known. I'm sorry." "It's all right though." He looked over at the pile of wood that she had brought in for four days' stave. "We need it. Cause you have been working for four days right? So you need your strength back." Inuyasha finished then took a bit of his meat. Kagome watched him with soft eyes and a soft smile and said "Thank you Inuyasha" then continued eating. Time passed and they finished their huge meal, but it was dark now and they started hearing the roars of thunder. Inuyasha and Kagome looked up at the ceiling. "Sounds like it's going to rain." "Yeah, your right Kagome. But we were also going to get wet." "Not at all Inuyasha." "Huh!?" Inuyasha says facing Kagome with confusion. "What do you mean Kagome?" "You see Inuyasha... This is no ordinary cave." There was silence for a moment. "It's a magical cave." Inuyasha was surprised of Kagome's words. "Why in the world would you say that Kagome?" Because, Inuyasha.... When I told you about the little spring in the back, I wished for it. That's why you didn't hear it sooner." Inuyasha was in shock. "So, your saying that...." Inuyasha started looking around. "This is a wishing cave?" "That's right." Kagome answered with happiness. "You can wish for anything you want in here." Inuyasha lowered his head with disbelief. "No. Now anything." "Huh!?" Kagome questioned. She looked at Inuyasha with curiosity. "What do you mean Inuyasha?" He got up, walked over to Kagome, and bent down right in front of her. He lifted her chin with his right hand and said "This cave could never have brought you to me. And I doubt it could have ever let me have you or you me." Kagome looked confused, curious even. "What do you mean by that Inuyasha?" "You found me and released me from a spell. We traveled together and grew attached to one another. And now we're mates for life. And do you know what?" Kagome looked at him, then blinked a few times as if to say "what". "That was all your doing. You broke the spell, you shattered the jewel, so we traveled together to regain the pieces, you warmed my heart and healed my soul, and you have given me your heart." Inuyasha looked at her with such softness in his eyes. "It was you all alone Kagome. You have changed me in ways Kikyo and not even my mother could. I am extremely grateful I met you Kagome. Other wise..... I don't even want to think what would have happened. But you found me and freed me, and I fell in love with you. The instant I saw you I liked you. But you know me. I would never show someone that right away. And you sent." Inuyasha closed his eye and breathed in deeply smelling her scent. He then breathed out heavily, opened his eyes and had a smile. "Your scent controls me. Every time I smell you..." He pushed forward and hovered over Kagome forcing her to lie on her back on the ground. "I want to have you even more." Kagome smiled and blushed slightly with happiness looking up into his hazel eyes. "When you were a human I loved the smell of you. I wanted to be near you all the time. That's why I never wanted you to go. I never wanted you to leave, not even for a second, because then, I wouldn't be able to smell you. Your sweet fragrance. But, but now, your scent, it intoxicates me. And I absolutely love it."

He bends his face down to the left side of Kagome's face, closed his eyes, and licks her left cheek. She giggle and he continued the lick her cheek. Finally, but it happen with such speed, Kagome grabed Inuyasha head and moved it in front of her own and when Inuyasha went to lick her cheek again, or so he thought he got her tongue. He opened his eyes to find his face in front of her's. And she was frenching him which told him she was saying "shut the hell up and make love to me you silly dope". Inuyasha obeyed the kisses order. He grabed Kagome and rolled over so that she was on top of him. She lay in him, kissing him. Inuyasha then using his right hand went and patted Kagome's left ear. Kagome couldn't help but laugh as she continued to kiss him. Inuyasha then using his other hand felt down Kagome's legs. He then started pulling down her skirt. Kagome's tail bristled up and ears pricked up and she instantly broke the kiss and looked down at her mate. Inuyasha looked at her, extremely curious. "What's wrong Kagome? I thought you wanted it." "I do Inuyasha. But, why don't we wish for something soft and warm." "Like a bed." "Good idea honey." Inuyasha was shocked. 'Did she just call me honey?' he thought. "How about my bed? Except make it bigger." Inuyasha smiled. "Alright." he said. Then Kagome started thinking. Inuyasha knew. "What's wrong Kagome?" "I was just thinking... Do you even think that the cave can grant wishes of things not of this world?" "I don't know sweetie, give it a try." Kagome caught what he said. 'Sweetie huh?' she thought. "Ok babe." Kagome said. Inuyasha smiled. He liked calling her these sweet names, and he really like her calling them to him to. Kagome stood up and walking a few foot steps away from Inuyasha. Kagome then closed her eyes and said "I wish we had my bed. Only it was king size." Kagome whispered. A light gust of wind whirled around near Kagome's sleeping bag. Then, a white light formed into a huge mattress. When the light died the mattress was there next to Kagome's stuff. "Wow!! I didn't expect the cave to read my mind." "What do you mean Kagome" her mate asked. "I mean when I was wishing, I pictured the bed with a few comforters and pillows. And that's just what we got." Just like Kagome had wished. It was a king size mattress of her bed and it had white and light pink sheets and light pink pillows on it neatly. Kagome turned slightly so only the left side of her face was looking at her mate. Inuyasha got a little worried. "Hey I...nu...ya...sh...a" Kagome sang. "Yes dear?" Inuyasha replied. "Why don't you get ready in the bed." She turned towards the darkest part of the cave. The back. "I'll just be a moment" she says walking into the darkness. Inuyasha was getting suspicious, and a little creeped out. But he listened to his lover. Inuyasha walked to the bed and took off his pants but left on his loincloth. He hopped into bed and covered up. A few moments passed, then Inuyasha heard his name being called ever so sweetly. "Inuyasha." It was Kagome. "You coming honey?" he asked. There was no answer. Inuyasha was getting really on edge now. Then, all of a sudden, a white figure came hurtling towards Inuyasha with a loud roar. It pounced on him and gripped him tight on the arms pinning him to the bed. ....

Kagome turned slightly so only the left side of her face was looking at him. Inuyasha got a little worried. "Hey I...nu...ya...sha" Kagome sang. "Yes dear?" Inuyasha replied. "Why don't you get ready in the bed?" She turned towards the darkest part of the cave: the back. The sun had already gone down. The only bit of light in the cave was the fire Kagome had made. It flickered and danced in the dark, shining off a warm glow. "I'll just be a moment" she says walking into the darkness. Inuyasha was getting suspicious, and a little creeped out. But he listened to his lover. Inuyasha walked to the bed and took off his pants but left on his loincloth. He hopped into bed and covered up. A few moments passed, and then Inuyasha heard his name being called ever so sweetly. "Inuyasha." It was Kagome. "You coming honey?" he asked. There was no answer. Inuyasha was getting really on edge now. Then, all of a sudden, a white figure came hurtling towards him with a loud roar. It pounced on him and gripped him tight on the arms, pinning him. Inuyasha and the figure bounced up and down on the bed. Half the time Inuyasha's eyes remained closed and he only caught a glimpse of what it was. And he was afraid. But now he opens them to find Kagome with a white sparkling robe on, hovering over him, and pinning him to the bed. "K-Kagome?" "Scared you didn't I?" she says closing her eyes, smiling, and giving a little laugh. Inuyasha looked at her with a serious face on. "That's not funny Kagome!" Kagome flinches back. She didn't expect him to snap at her. And with such anger in his voice and on his face. "I thought you had become a demon! You really scared me!" he snapped again. Kagome unpinned Inuyasha gets up off the bed and walked toward the fire. She puts her hands into a not so tight fist and lays them on her chest above her heart with a sad look in her eyes. "I'm....sorry, Inuyasha. I....didn't mean?..to make you worry." she says sadly, eyes watering up. Inuyasha was now sitting up and his anger changed to guilt. He had hurt the one he loved. But she scared him half to death. Inuyasha slowly gets up out of the bed. He extends his right hand out to try and comfort her. Kagome now feeling so bad for what she did, knelt down, covered her face with her hands, and was balling out tears. Inuyasha could smell lots of salt and water. He moves closer to her, his hand still extended. "Kagome..... I'm....." "I'm sorry Inuyasha!! I'm so sorry!! Please forgive me!!!" she yelled, pleading. She lowered her face onto her lap. Inuyasha felt ashamed of himself now. "Kagome..... I'm sorry. I didn't mean to....." "No Inuyasha. I'm sorry. For making you worry. For frightening you" Kagome says cutting him off. "Inuyasha....I'm....." She couldn't finish. Inuyasha had her in an embrace. He was hugging her from the back. He tightened his grip. Their faces were next to each other. His resting on her right shoulder, eyes closed. "Kagome, I'm sorry I hurt you. I'm so sorry. Please forgive me." Kagome stopped crying and slightly lifted her head out of her hands. "You were just trying to play, and I snapped at you. I'm deeply sorry.....my little angel pup." Kagome's ears twitched and the rest of her head jolted out of her hands. Tears were forming in her eyes. She looked at him and saw the sorry in his eyes. Then, without hesitation she whorled around and embraced her mate, he hugged her back. "Inuyasha thank you. I'm so sorry." "Don't be Kagome. It was my fault. I should have sensed the change if there was one. But all I used were my eyes. Please forgive me?" "Yes. I will. And will you forgive me, Inuyasha?" "Yes. Of course." They held each other for quite some time. Then Kagome moved back slightly and leaned in for a kiss. Inuyasha opened his eyes in time to see her lips approaching. And he gladly gave her his. Their sorry kiss turned into a kiss of love. In other words, their normal kiss turned into a rapped french kiss. They rapidly frenched. Moaning and groaning with each breath they took. As they kissed they were moving towards the bed. They fell

sideways on the mat. Their hands feeling each other's body. They then rolled over. Kagome was on top of Inuyasha. Kagome pulled away from the kiss. Her legs spread open over Inuyasha's stomach. She took off the robe to reveal her white bra and pink underwear. Her skin was smooth and creamy. And her stomach was nice and smooth, well shaped. In fact, her whole body was nice. She was exquisitely beautiful. So were her legs and arms. Inuyasha lightly grasped her hips. Kagome leant in and started frenching him. She then started toughing down the left side of Inuyasha's chin from the side of his lip to the left side of his neck. When she got to his neck she sucked on it. Inuyasha made a light sound that meant it felt good. Kagome then tongued down to his chest. She started sucking where his heart was. She did that for quite some time. When she pulled back and there was a red purplish spot on his chest. Inuyasha saw it and asked "Kagome? What is that?" "It's called a hickey. That happens when you suck on a person's skin for a long period of time. The mark will probably stay for about a week though." Inuyasha looked surprised. It felt so good when she was sucking on him and it'll leave that mark for about a week. But at least it was a mark to show what they had done. "Hey, Kagome?" "Yes babe?" Inuyasha smirked. "Can I do it to you too? The hickey I mean." "Sure you can. How about you do it right here." She says pointing in the middle of her chest in between her breasts. Inuyasha nods and leans in to her chest. He then begins sucking on her. Kagome moaned and moved her body slowly up and down. Inuyasha sucked on her for maybe about three minutes then pulled back and the red purplish spot remained. Their eyes locked for a few moments, Kagome then started back up towards the upper part of the bed and gave him a look that said "Come here baby". Inuyasha cradled towards her in a sexy way. Kagome then moved down towards him. They were now in the middle of the huge bed. They both leant in and began frenching. As they did Inuyasha snuck his hands behind her back and using one of his claws, undid her bra. Kagome smirked as he continued to kiss her. Kagome knew what he wanted and what he was doing. Yet he played like nothing was happening. That just made Kagome start to laugh slightly. Her bra straps fell down her arms, and her bra itself dangled at the edge of her breasts. Kagome then took off her bra and tossed it to the side, still keeping her lips locked with his. Kagome then fell backwards pulling Inuyasha with her. Inuyasha was now on top of her. She then started playing with him. She used the top of her right foot and gently rubbed where Inuyasha's penis was. Inuyasha lightly moaned as he kissed her. It felt good. Kagome then used the same foot put it in the middle of his pelvis and started pushing down his loincloth. She did this gently so not to hurt him, because the tips of her toe claws were sharp. But she pushed it down carefully and gently stroked her toe claws on his pelvis and a few times his dick. Inuyasha moaned a little louder and a little more. The feeling of her toe claws gliding on him made him tingle. Once his loincloth was off he kicked it to the side next to Kagome's bra. Then Inuyasha pulled Kagome and now she was on top of him. He did the same thing to her, using his left foot instead. Once he got her underwear off she kicked it to the side next to the other things. Inuyasha then pushed his mate upward so her head was resting on one of the light pink pillows. He then grabbed her left head, held it, and pinned it down into the bed. His legs were now open over her lovely shaped stomach. Inuyasha then slowly licked out of her mouth to the left side of her cheek and down the left side of her neck. First he kissed, licked, and sucked on it for two minutes straight. Kagome was moaning with pleasure. Then he started gently nipping her on the neck. Somehow that felt even better and she moaned a little louder. His tongue then trailed down her neck and on to her left breast. ....

Inuyasha then pushed his mate upward so her head was resting on one of the light pink pillows. He then grabbed her left head, held it, and then pinned it down into the bed beside her. His legs were now open over her lovely shaped stomach while his dick rubs on her. Inuyasha then slowly licked out of her mouth to the left side of her cheek and down the left side of her neck. First he kissed, licked, flicked his tongue, and sucked on it for five minutes straight. Kagome was moaning was plusher. Then he started gently nipping her on the neck near where her human ear once was then trailed down to the middle of her neck and kept going back and forth to those spots. Some how that felt even better and she moaned louder. That seemed to be a loud moaning pleasure point. His tongue then trailed down her neck and on to her left breast. He started sucking on her nipple. She started to moan louder. He then took it a step further. Inuyasha, as he suck her nipple then gently started scraping his fangs on it, as well as sliding his tongue over it every on and then. That made Kagome shiver and tingle. But not with cold, with pleasure, and happiness. It was a wonderful sensation. He found what appeared to be another ultimate spot on her body to give her pleasure she utterly enjoyed. Kagome moaned with such passion and joy. She moved her head trying to withstand the pleasure and feeling of what he was doing. "Oh yes. Please...don't stop" she moaned. Her tail slowly swished side to side. Inuyasha continued. Then his other hand fell down her other naked breast. He scraped the nipple gently with his claws. Kagome moaned louder as he continued sucking on her other creamy, smooth, peach/tan colored nipple. He then stopped scraping her right breast. Inuyasha then stopped sucking and lifted his hand a little. He tickled her nipple with the tip of his tongue. Kagome's moaning lowered. She then looked down at him. "Inuyasha...?" He stopped what he was doing and looked up at his mate. "Please...? Suck on it again.....? The way you were a moment ago....." Inuyasha smiled. "Alright my little angle pup" he said, then turned his head back in front of her nipple. He then lunged for it and sucked it like he did before. Kagome throw her head back down, closed her eyes, flattened her ears, and moaned loudly. It was dark now. They could tell from the holes in the cave. The fire that Kagome made was starting to go out. Kagome turned her head and saw. So slowly she wished in her mind. The fire in the cave then blows out. But when it did it was relapsed by a candle. Then another, then another, then another. There were probable thirty or forty candles in the cave lit now. Really tall, wide and scattered everywhere around the cave. Inuyasha used his eyes and looked around. "There....now....we have.....light" Kagome panted. Inuyasha then started sucking on her nipple like a new born baby trying to get milk. His sucks were harder, his tongue rolled wildly over it; he scraped his fangs more often, and now he begin to her nip the nipple. It felt so good to her, Kagome's body was moving gently and slightly all over the place. Her tail flicked with joy. She was grasping the blankets to try and help her withstand the need of rolling everywhere. She then gently grasped his head to keep it in place where it was. Inuyasha know tested and as she wished, he keeps his head there and kept on sucking as if searching for milk. He continued it for ten minutes. And Kagome enjoyed every second. "Oh baby!! Oooh yeeeeessss!!!!" she moaned. She then put her right leg flat on Inuyasha's penis area. She then begins to rub it. Inuyasha started letting go of the nipple to let out a deep moan. Inuyasha then put his tough flat on her on rock hard nipple and licked it with his smooth, damp, warm tough. He then left her breast and went back up to her lips. Kagome then stopped rubbing his dick area. His tough entered her mouth and they kissed. Inuyasha then gently begin nipping her lower lip. Kagome moaned again. She then grabbed Inuyasha and turned

side ways so now she was on top of him. Kagome then broke the kiss and hovered over him. She stared into his shining pools of amber with her own and he stared back, as if she were asking "Are you ready". Inuyasha softened his eyes telling her yes. She then quickly jammed her pelvis into his. Kagome thought her head back, flattened her ears and screamed in pain and yet plusher. Inuyasha quickly pushed Kagome off him, keeping his hands on her hips. Kagome now looked down and him, ears perked up. "Why'd you push me off Inuyasha?" "You were screaming Kagome. I don't want to hurt you. I don't want to because you pain." Kagome smiled, then bent down and licked his left cheek, just as he did to her once before. Kagome then pull back up and looked at a shocked, surprised, and happy Inuyasha with sweet, soft eyes. "What were doing will be painful but plusherful to. And I can take the pain, so long as you heal it over with plusher and make me happy" she says in a naught way. Inuyasha was surprised. He had never seen this side of Kagome before. But he definitely liked it. "All right Kagome." Kagome smiled. They looked into each others eyes for a moment (when didn't they). "I love you Inuyasha." "I love you to my little angle pup." Kagome smiled. She then took her right hand and begins the pet Inuyasha on the head, forcing his ear to go back as well. Just like a cat. (Or a dog) She then starting scratching behind his left ear. Inuyasha emanated a soft, low, deep purr. His eyes started to flutter close, and then she stopped. Inuyasha opened his eyes back up slowly only to see Kagome leaning in toward his left ear. Inuyasha didn't know what she was doing or going to do. But he let her anyway. All of a sudden, Inuyasha starts to feel a soft tug, gentile lips, and fangs scraping light in his ear. Inuyasha started to giggle. He couldn't help it. What she was doing felt good and tickled slightly. Kagome was nipping his ear playfully, trying to turn him now. She knew what ever she did with his ears turned he now. She uses to teas him this way with new tricks every time. This one was brand new. She never used her lips before. And this time it was for real. Inuyasha couldn't take it anymore. His hands were still on her hips. He then pulled her down and clamed her lips. She gladly let him. There kiss lasted for moments then they finally broke for air. They both panted heavily. Kagome's tail swished side to side on Inuyasha's legs. He loved the feel of her fur. "Hey Kagome? Can I taste you?" Kagome looked shocked, surprised, and confused. "What do you mean by 'taste' Inuyasha?" Inuyasha then had a naught grin on his lips. "You'll see." He then turned them over so now Kagome was lying with her back on the bed. Inuyasha then crawled down to in between her legs. He placed his face right in front of her womanhood. 'Even her lower hairs are pretty' he though. "Inuyasha....?" "Kagome. Trust me. Now.....just relax." All of a sudden warmth and chills shoot through Kagome. She's gasping, moaning, and yelling. Trashing her head side to side. Clenching the blankets to easy some of her feelings so she doesn't thrash all about with plusher, and ears flattened back. "Oh Inuyasha!!!!!!!" she yelled with happiness and shock. Inuyasha had his face bared into her cleat. The only thing not in it was his eyes which were closed. His nose was in to smell her, and his mouth was in to taste her. Once his mouth entered into her he shout his tough into the hole which was the cause of Kagome's moaning and her gasping grew louder even time he went deeper onto her. His tough moved wildly inside her. Kagome's body moved around trying to with stand the joy it was reserving. Inuyasha continued that for twenty seconds then exited from Kagome's body. Kagome was panting a lot and Inuyasha was panting for air. Inuyasha then crawled back up to her face. "I thought only your scent smelt wonderful and your flesh tasted good. You taste delicious Kagome." Inuyasha said in a doggy way. (Very naught way) Inuyasha licked the remainder of her taste off he lips. Kagome then looked up at him in a naught way grinning. Inuyasha know test. "Kagome? Why are you looking at me like that?" Inuyasha asked worriedly. Then without word or sound Kagome grabbing her mate and switch places with him so now his back was lying on the bed. Inuyasha looked puzzle and confused. Kagome did the same thing he did. Crawled down to in between his legs. Inuyasha then realized what she was going to doing. Before he could stop her, her lips were already clamped onto his manhood. Her tough moved wildly on it and she started sucking on it. Inuyasha moaned loudly and did the same thing Kagome did. Clenched the blankets so not to trash about, ears flattened back, body moving slight to

easy some to the plusher, and moaning. Kagome how ever tasted him longer then he did her. Kagome tasted his for one minute then ended it with her soft smooth tough licking up his manhood and trailing back to his lips. "Damn Inuyasha. You taste great." They both panted. "Inuyasha?" "Yes my little angle pup." "Can we start the fun?" Inuyasha's ears twitch at what she said. Then he smiled. "Sure. But lets try something new." "Huh? Like what?" Kagome asked curiously. "Well, I wouldn't admit this to others. But there is one good thing about being part dog" Inuyasha said in an extremely naughty way that made Kagome shiver with excitement. "What?" Kagome asked dying to know. "If you turn around and bend forward, I'll show you. But it will hurt." "In the end, as long as it feels good, I'm good." Inuyasha was stunned. He loved this side of his mate. He just didn't want to take his love to far and upset her, or worse. Hurt her. Kagome did as he had said. Eger to know what he was going to do. Her tail was to the side at the moment. But then it shot strait up as she felt pain enter her butt. She through her head up in the air, squeezed her eyes shut, flattened her ears back so far it looked like she had no ears, and screamed in pain. "Ahhhhhhhhhhhhhhhh!!!!!!!" Inuyasha had put his dick in her butt hole. He stopped immediately as soon has the scream came. He was half was in her. Kagome was panting with pain. "Ow.....ow.....ow...ow." "Kagome will you be alright!?!?!" "Yes.... Owwww, that feels good now." "Do you want me to keep it here? I'm not all the way in yet." "I'll indoor it. Please, go on?" Inuyasha still looked a little unsure, but did as she asked. Slowly he begins again. Kagome closed her eyes, clung to the comforters, and bit her lower lip. Finally he was in. She opened her eyes, and let go of her lip and the blankets with relief. Slowly Inuyasha begin pumping and moving around. "Ahh...oww...ohh...ohhh" went Kagome's pain filling cries to plusher filled moans. "Doggy style" Inuyasha said. Kagome just replied with a moan. Both Inuyasha and Kagome moaned for three minutes until Kagome asked him to stop. Kagome moaned louder and more then Inuyasha. Inuyasha quickly pulled his dick out her butt so not to hurt her. Kagome sighed with relief. "That was fun. But now I'll show how we humans do it." "But your not human any more" Inuyasha says. "Were both still part. So I'm gonea show you how the humans do it. But I'm gone a lie down and you push into me." Inuyasha was now stunned. Was this the emotional, stubborn, annoying, sensitive, and rude Kagome he fell in love with. Or was she possessed. She would never talk the was she is. Kagome know test Inuyasha's worried expression. "What's wrong Inu?" Inuyasha's ears twitch at the new nickname she called him. "Are you alright Kagome? Your not acting your self." Kagome looked at him confused now. "What do you mean Inuyasha?" "Your not acting the way you use to. Your saying things I never thought I'd hear you say and doing things I never thought I'd see you do. It's like your possessed Kagome. And I'm really worried." Kagome thought he was joking and started to giggle. But then she saw his eyes and he really was worried. Kagome softened up and spoke. "Inuyasha I'm not possessed by anything or anyone. It's me. When I was human I held back a lot and I didn't say how I felt. But now that my demon blood has awakened I feel powerful, like you, now and I can protect myself and you. And I wont be getting in your way anymore. I can finally help. Plus on that were alone for quite some time I want to show you how much I love you. I'm even surprised to what I've been saying and doing. But it's what I've wanted to say and do for a long time. And now I finally can. And I'm overwhelm with joy now." Inuyasha was stunned. "Kagome, I have never thought of you as someone who gets in the way. It's you how actually gives his the strength to fight, win battles and go on living. You, your wonderful sent..... And your love gives him the power he need." "Inuyasha." "Kagome." They lean in and shear a kiss. Kagome then switches spots with Inuyasha and lies down on her back with her head on the pillows while Inuyasha is hovering over her. They finally brake the kiss. "Ready?" Inuyasha asks his mate. Kagome gets into a comfortable position with her hands up next to her head and her legs wide open for him to enter. "Ready" she says. "Do it hard" Kagome says in a naught way. An Inuyasha smile then jams his pelvis into hers. She throws her head back, flattens her ears, and gasps. Inuyasha than starts humping. Kagome starts to moan and groan. "Oh yes!!! OH YES!!!!!!!" She then raps her legs around his waist again and try's to join him in his rhythm, but then she decides not to so she could feel

more of the power when he pumps into her. "Oh yes.....! Oh yes.....!!! I.....feel.....so..... hoooooot!!!!" Kagome pants. " You.....are.....hot" Inuyasha pants. Kagome smiled and gave a giggle through her pants (as in her panting). Then a wonderful, enchanting, exquisite, and warm sensation engulfed her body and coursed through her vanes. As if she had been cold and warmth rushed through her. It was a new and wearied feeling. But she enjoyed it as well. Every moment of it. She embraced the feeling with no second thoughts.

Kagome and Inuyasha had sex that night for six hours. Inuyasha had been on top of her for three and a half hours then they switch. (A/N they had done a few tricks that I really can't describe. sorry, don't know how.) Kagome then collapsed to the left side on her back panted heavily. "That was great!" she finally let out. "Where did you learn all those great tricks?!" Inuyasha asked happily. "To tell you the truth, Inuyasha..... I kinda made them up as I went along." Inuyasha looked at her surprised. "Your not mad, are you?" "Mad!! Of cores I'm not mad. Why would I be?!" Kagome smiled and they looked deep into each others eyes. "There's no way I'd every get mad at you again." Kagome looked at him dough fully. "Oh!! So you just wanted to mate with me?! Is that what it is?!?!" Kagome asked yelled with frustration. But Inuyasha answered calmly "No. I love you for you. I was waiting till you were ready. Wither that take days, weeks, or even mouth. I would have waited no matter how long. And if I do, and I start being a jerk, I give you the promotion to do with me what even you please." Kagome looked at him shocked and surprised. "Really?!" "Really" Inuyasha told her. "You'd better remember that when your start to pick a fight with me." "Since when do I start the fight?! Your always the one who.....!!!" But his words were cut off by Kagome's lips. She held the kiss for a moment then they broke. They both smiled and stared into each others eyes. Finally after what felt like forever Kagome finally spoke with a yon. Her yon made her ears flatten to her head. Inuyasha couldn't help but giggle at that. "Lets get some rest. I'm exhausted." She then cradled under the covers. Inuyasha joined her. She then turned towards him and curled up within his warm, strong, and muscular arms feeling safe and securer, breathing in his woody sent, curled her tail around him, bared her head underneath his chin, and fell asleep. Inuyasha pulled her into him, rapped his left arm around her, kept his head on top of hers, and breathed in her sweet ginger and honey sent. He then began the drift into sleep to Kagome's lulu by purr as she slept snuggled into him. The candles were half was burned down. And the moon and the stars shun light into cave through the holes in the sealing. But from one of the large holes from the side of the cave were thirteen shadowy figure that had been watching them ever since they set foot into the cave. There eyes shun white in the moon and star light and some of there fangs glow silver. Quickly the creature in the middle of them all signals with it's head and the others dash away. The one that seemed the leader stood there for a moment longer. It's white eyes shun with utter and pure happens and joy and it smiled letting it fangs sparkle silver. Then it opened it's feathery furry like wings, jumped into the sky, turned around, and took off flying away, following the others.

Inuyasha slowly flutters his eyes open. He opens them all the way. It's morning. He turns to looked down at his woman but she was not there. He bolted up. "Kagome!?" He looked around but there was no answer. "Kagome this isn't funny!!! Please come out?!?!?!" Still no answer. Inuyasha got out of bed and went to get his cloths. And when he did he found hers were missing. He lifted his head and looked around the cave. "Her cloths are gone, but her belongs are still here" Inuyasha whimpers to him self. He puts his loincloth, pants, shirt, kimono, and sword back on him with in the blink of and eye. He walks near the entrance of the cave, but then stops. "Her sent isn't here." He whorled towards the back of the cave that was still filled with darkness. "Then where is sh...." He then caught her sweet sent. It was going towards the darkness of the cave. Inuyasha walked to where the light and the dark met. His ears then perked up. He heard birds chirping and wind rustling grass and trees. A slight breeze whipped him in his face. Inuyasha began walking into the darkness. Welcoming it. Hoping it would lead him to his love. A bright light then shun and Inuyasha eyes burst wide.
