It's not really how I feel, but it is how a lot of girls I know are.

Why?

Why can't I cry in a world so full of tears?

Why can't I scream in a world so full of fears?

When I break down I just get kicked around

And when I finally get back up, it's only to get kicked down again

And then there you go

You cry and you scream and everyone goes to help you

And here I am

I'll suffer before their eyes

And no one comes to help me up

I'll just die all alone, with everyone watching

And no one cares or remembers me

Because I was the one who would cry and scream for the real reasons
