0 - In memory of my grandfather

We love you still but now you are gone.
We miss you and mourn our lost.
We try to live on without you from now on.

My father went to the funeral directors.
My father flied the flag at half mast.
My father went looking for flowers to your funeral.

My ant found your body.
My ant cried a lot.
My ant has a hard time from now.

My sister hides her feelings.
My sister tries to go to school.
My sister thinks I need her comforting words.

My firend took it harder than me.
My friend called me from school.
My friend misses you to.

My grandmother died before you.
My grandmother you had to mourn.
My grandmother and you are once again together for eternity.

I didn't make it to school today.
I have a hard time to live on.
I thinks it might have been the best, Your pain is now gone.

Don't worry to much for us, we will survive.
Don't worry for your things, we will take care of them.
Don't worry about your funeral, we will arrange it.

I don't say things will be easy.
I don't say we don't miss you.
I don't say we don't love you any longer.

To write this text feels right.
To talk about it is to hard.
To try to forget you ain't right.

We love you and we miss you.
A hard time for us now will be.

In the future, far away from now we will meet again.
Have faith and believe.
Pray for us to the spirits and gods that exist.
We will live on.
