1 - The 1st Day

It was a beautiful day in Tokyo. A meeting was about to begin at the Nintendo Headquarters about discussing Super Smash Bros Brawl. The president began, "O.K let's start... looks like everyone's here..... wait..... WHERE THE F*** IS PIKACHU!?!"

Pikachu was at the PikaBar downtown, drunk, dancing to Pop Lock and Drop It with his girlfriends. Then all of a sudden, he just realized that he was supposed to be at a meeting. So he ran like crazy through the bar outside to his BMW. He sped off almost hitting several cars. His alcoholic level was way above the limit. He was driving at 60...70...80..and reached 95mph before he started slowing down when he hit several people.

He arrived at the headquarters about 10 minutes late. He crashed into the front entrance hitting about 15 people and created a fire. Pikachu dashed out of the car and ran for the elevator. The meeting was starting without Pikachu.

Bowser complained, " Why can't we have Brawl playable at E3?!? The fans are going to be angry which means less money for Nintendo and more importantly me!!!"

"Bowser we don't give a crap about you!" said Zelda, "Let's have Sora in Brawl. He's cute^!" Then Link gave her a dirty look. Wario said, "Has SEGA replied about having the rights for Sonic? If not then Halo 3's going to kick our butts!" The president responded back, " No not yet. Those lazy idiots..." Then finally Pikachu ran through the glass door leaving a hole in it.

He said, " Pika pi pika chu pi pika(Sorry I'm late boss.)" Then Bowser complained again, " And the motion sensoring! Sounds like from the website it won't really be used! What gives?" Pikachu over reacted hyperly screaming, "PIKA PI PI PIKACHU PIKA PI!!!! (GO TO H*** YOU B#@#%!!)" Bowser had flames coming out of his nose but then Peach rubbed his tummy relaxing him. The president said, " Pikachu please calm down! You look drunk maybe you should... "PIKA PI PIKACHU PI CHU CHU PIKA!

(FOOLS! HILLARY CLINTON WILL NEVER BE PRESIDENT!!!)"Pikachu was starting to say random things because of his drunkness, "PIKA PI CHU PIKA PI! (I'LL NEVER STRIP FOR YOU!!!)

Everone was starting to get scared and people were getting guns out as a caution, "PIKA PIKA PI PIKA-" BANG!!! Fox shot Pikachu with a sleep pill. "Um... maybe we should have the meeting tomorrow so Pikachu can calm down. He's scaring the crap out of me."END

2 - The Next Day

So.... it was 8:50, 10 more minutes till the Brawl meeting continues. Every one was there including some 3rd party characters like Sonic, Master Chief, Naruto, and Sora.

Where was Pikachu? He was once again at the Pika bar, drunk. This time he was dancing to Party Like A Rock Star pretending his beer bottle was a guitar and smashing it at the ground at the end. Then he realized about the meeting and ran off and drove the same way he did the day before. This time, instead of crashing into the front entrance, he crashed into a wall that led into the women's restroom. The ladies were screaming slapping Pikachu with their purses.

So Pikachu ran off to the meeting. He ran through the door and ran into a pop machine, causing pop to fall out. Everybody cried for joy and stole the drinks.

"Oh good Pikachu you're on time. Now let's start with you Naruto. Why are you interested in this game?" Asked the president.

Naruto replied, "I got so many totally awesome moves! I can do my "sexy jutsu" move if you want me to!"

"Um.....no." said the president. "Now how about clothing or facial features?"

Bowser said, "Let's have a feature where we can make people bald so Peach can look like Britney Spears!! Bwa ha ha ha!"

"Swimsuits?", asked Daisy.

"No! We can't have anything sexual besides Samus's Zero Suit form! It'll scare away customers!" said the president.

Pikachu recovered from ramming into the pop machine and started saying random things again, "PIKA PI PIKACHU PIKA PIKA! (I'LL NEVER MARRY MICHAEL JACKSON!!!).....PIKA PIKA PI PI PIKACHU PI KACHU!!! (SONIC USES METH!!)"

"Pikachu! Will you shut up!!!!" cried the president, "If Sonic uses meth, then would he be running at the speed of light?"

BANG!!!!!! Fox shot Pikachu again with a sleep pill.

"Well... I guess he was drunk again," said the president. "I guess this meeting will continue next Friday. See ya after E3!"

END.

3 - The Day After That

It was just a few hours after some new Brawl video was shown at E3, a secret meeting was held. "Everyone. The reason for this early meeting is because we don't want to be disrupted again by Pikachu," said the president. "So what are your thoughts about today's showing of Brawl?" "Boring," said Peach. Everybody else seemed to nod. "Let's talk about the next Mario Kart!" said Link. "Who's going to be in it? Me?!?" "Nope, only original Super Mario characters", said the president. Then a bottle smashed through a window. Sonic opened up a piece of paper in it, "It's from that crazy*** thing Pikachu!" The president read it out loud, "Dear president, if you don't send me a Grand Theft Auto IV demo within a week, I'll blow up the E3 building! Love Pikachu^^" "OMG! I knew it! Pikachu is gay!" cried Bowser. "This retarded creature is dangerously drunk. We have to stop him!" said the president. TO BE CONTINUED...

4 - 2 days after that

It was in the afternoon in Tokyo. The PikaBar as always, was crazy. Pikachu was singing karyoke and was singing so badly it made people's ears bleed! Outside, a S.W.A.T. team was ready to tackle down Pikachu. A fake sales preson came inside and said, "Is their someone named Pikachu here? You've been invited to the annual Playboy party in L.A! We'll have one of our ladies take you." Then, to get Pikachu dissdtracted, Peach appered in... a Playboy suit, " Hey baby you want some of this?" Pikachu started and drooling and passed out, "Now!" yelled Peach. The police ran over and hand-cupped Pikachu. So Pikachu was taken to a rehab center where he could learn not to drink alcohol. Afterwords, Pikachu was much more nice and active. Everyone thought the chaos was over until..... Bowser got drunk...TO BE CONTINUED.....
