

Wow...this place still exists

I haven't been here since 2009, which was when I was in high school.

Now I'm graduated from college and working as a graphic designer. Obviously my arts skills have improved since then.

Anyone remember me? I don't recognize most active users now.

If anyone wants to catch up, add me on PSN (ItsSuperEffectiv), Xbox One(ITS DAT DAM KID), or Wii U (Its_Pikachu)
