*this is a little poem I wrote about myself. The fact that I was not proud of the way I was leading my life made me write this.*

# 1 - In Reality

In Reality

I am two-faced  
I'm a liar  
I'm a fraud

The real me has been erased  
I'm imperfect  
I am fake

I am everything I wish to be  
yet everything I hate  
I only wish I had seen this hypocrisy  
before it was too late

I walk these empty streets alone  
so fearful of betrayal  
the people i once cared about left me out here  
...left me stale

The way you know me now  
is so very different from before  
I am so very damaged, very hurt and very sore

I always used to put you down  
and blame you for my pain  
I always used to shut you out  
when in reality, it's me I have to blame
