Chapter 1 - untitled

2

1 - untitled

I've been placed to replaced
Where now I scratch the walls of jealousy
I taste this pathetic lie you said so many times
This feeling's taking over me

Try to breathe, you're suffocating!
I'm wasting my time waiting
Cos compared to her, I'm nothing!
Keep trying to breathe
Every heart beat gradually failing
All that's left to come is silence between us
