Chapter 1 - Daddy's Little Girl

1 - Daddy's Little Girl

Gerard Way looked at the tiny baby girl in his arms. Her eyes were tight shut, her mouth puckered up like a little love heart on her smooth, round face. She was fast asleep, breathing steadily.

She looked like her father, definitely had the same nose, when her eyes had been open before Gerard had noticed how much they looked like her mother's.

Gerard was tired, but holding the child filled him with life and joy. He handed the small bundle back to the exhausted being next to him.

Michael James Way smiled.

"Congratulations, Mikey." Gerard grinned, "You're a dad."
