Room 231, 7:50

The kids were laughing with amusement at Naruto's latest prank.

'Ahhhh, good ol' Naruto making another prank, and making our days at Royal Learning High School worth it!' Shikamaru lazily yawned as he closed his eyes and smiled.

'Aa, but that'll mean hell for him with Tsunade for the next several days.' Neji said while he was doing a worksheet. Sasuke nodded, ' What an idiot.' He said in a short reply, not even trying to laugh at Naruto's newest prank. Kiba frowned, ' Jeez Sasuke, can't you even try to give him a pity laugh?' Sasuke glared, he glared so hard that it was like having an oven open and sticking your face in it, 'I have no pity for that loser what-so-ever!!' he yelled. Shikamaru looked at him, ' Dude you ok? You look like hell.'

Neji looked at Sasuke, ' Yeah, Sasuke, you really need to stop staying up so late, it's really taking a toll on you.' Neji said. Sasuke shrugged, ' Sorry... I had stupid project by Orochi-gay that I had to finish last night...' Kiba looked at him quizzically, ' well?'

'It was... the project.'

' No!'

' Yes! It was the one were you had to draw- in full detail- every single pair of boxers you own. I swear, he is more pedophilic than Michael Jackson. '

'You-hooo! Sasuke-kun!!'Sasuke wearily sighed, ' You've gotta be kiddin....'Sasuke turned around,

disregarding that he already who it was, 'Karin stood hovering behind his desk, hand on her hip, and apparently pouting, 'Sasuke, your bastard friend made fun of me again!' she said hugging him, '...sorry...' he said in a low tone, apparently very annoyed, and trying to ignore her.

'Awwww Sasuke-kun!' she purred seductively in his ear, 'why don't you come with me, Kakashi won't be here for a while...'

'Please, if anyone is listening pleeeeeease send a friggen S.O.S!' He grumbled under under his breath, his hands raised as if he was praying. Karin raised an eyebrow, 'Sasuke, your no fun!' she said as she abruptly turned in huff and went back into her seat.

'AAAAAAH GUYS HIDE ME PLEASE!' Shikamaru, Neji, Kiba, and Sasuke all turned their heads, and saw their infamous friend, Naruto Uzamaki, and right behind him, the scariest dog alive, Tsunade-sama.

'I'm sorry Naruto, this is your destiny, not mine'

'Sorry dude, but, uh, Akamaru is asleep, and I don't want to wake him up *bark*'

'Errrrrrrr, Oh look Nap time * ZzZzZzZz*'

'Hn.... Idiot.'

'WTF WHAT KIND OF FRIENDS ARE YOU GUYS!?!?!?!?!'

Naruto and Tsunade passed their classroom (after Tsunade punched the wall down)

And continued their morning talk as if nothing had happened until

20 minutes later*

poof

'OMG WTH HAPPENED TO MY WALL!!'

The class answered in unison, 'Tsunade-sama'

"oh well, Ahem, pardon my French but, frack! THAT's THE 3rd WALL THIS WEEK!!'

and as almost as fast as he got angry, he became somber once again, 'ANYWAYS, Class we have a new student,' the door slid open and in stepped in....., 'Everyone, please welcome Sakura Haruno.

Im happy to be on fanart and will post up yet again chapters of this crappy story 2!!!!

3 - The slap, and the guy

Naruto ran into the room from the gaping hole in the wall, ' Sorry Kakashi-sen-' he stoped mid sentence and took a look at Sakura as h sat down, he wolf whistled, ' hello mamasita.' He wasn't the only one though, just about the entire male population in the room were looking at her like she was a particularly tasty piece of meat. Sakura wore a black shirt that had only one sleeve and a pink under shirt, a black pleated skirt, knee-high boots, and a white circle in the middle of her shirt (she had her pink hair up in a cute, messy bun.).

' Sakura-san, that's not exactly the dress-' Kakashi stopped mid-sentence as he saw a how revealing her shirt was, ' – c-code so uh, for punishment you have to were that shirt for the rest of the day!' Sakura glared at him, ' you old perverted fart, ' she muttered under her breath. Kakashi smiled underneath his mask, and scratched his head akwardly,

' Well... uh, since it's you first day, please, feel free to pick your seat.'

She looked around, all eyes were on her. She gulped a little nervously. (The row/seats are like the ones in the ninja academy in the real anime were there are stairs). She walked slowly up the stairs, only to find a crowd of whispering girls who were gossiping about her, or a bunch of horny guys. Speaking of which, ' Hi, I'm Naruto Uzimaki Dattebayo!' he stook out his hand a he was about to stand up until His foot got stuck in his backpack strap

trip

squeeze

'wow..... they're softer than I imagined them to be.'

Sakura looked utterly horrified as the whole class started to laugh at the 2 of them. All except a dark haired boy who simply stared.

Sakura blush profusely, taking all the chakra she had and storing it up in her hand, she slapped him on the cheek, causing him to whirl like hurricane Katrina, and hit the wall, knocking him unconscious. The whole class had immediately shut up. Sakura looked and two girls who looked at her both impressed an awed, ' Ano, can I sit with you two?' the two of them wore black pleated shirts, a green tie, and a white shirt. the blonde smiled, ' Anyone who can shut this dumbass class up is welcomed to sit with us any day!' she replied brightly as Sakura sat down, and the whole class began to mutter.

' But seriously, I can't believe you just pimp slapped Naruto unconscious!' she mad a wide grin, ' Sakura Haruno, I like you already!' Ino smiled, ' Oops!' she quickly realized, ' My Name is Ino Yamanaka, and this Hinata Hyuuga.' Sakura looked at the dark haired girl, she looked back at Sakura, averted her gaze, blushed shyly, and did that weird thing with her fingers, ' A-a-ano, N-nice to meet y-you S-Sakura-san.' She stuttered.

Sakura smiled happily as she sat down in-between Hinata and Ino. Ino turned to her, 'So, we're you from?' Sakura smiled 'I'm from Konoha but I had to transfer schools.' Ino looked at her questionably, 'what for?'

'Err... my school got... overcrowded.'

Ino looked at her suspiciously, and started to rub her chin with her thumb and index finger, 'Hmmm.... Fair enough.'

Sakura quickly changed the subject, 'So uh, could you two give me a tour of the school?' Ino smiled, 'Yup! There is nothing that Hinata and I don't know about the school.'

Hinata looked at her skeptically, 'No, that's not true Ino, we still have no clue what's inside the Mystery Meat Monday grub at school, or Wreckage Wednesday pie, or FREAK- WTF- IS- THIS- Friday.' Sakura looked at Hinata, 'Wow, you didn't stutter once.' She said brightly. Ino grinned, 'That's 'cause she only stutters when she's nervous... which is practically all the time but... there are those special moments,' she said jokingly, fake tears of joy in her eyes.

'I-Ino-chan'

The class was talking, almost forgetting that Naruto was currently unconscious, on the floor.

'Ahem, that's enough class, Today we will read a new book- which I am now authorized to teach-called...' he pulled out a green book, so dramatically that it would put Gai to shame, 'MAKE-OUT TACTICS, THE NEW BOOK!' Everyone sweatdropped, 'Kakashi hurriedly passed out the books, 'Now everyone read chapters 1-4 for the rest of the period, after you are all done, I'll give you a pop quiz with 8 questions about what you have just read, GO!' Sakura stared disgustedly at the contents of the book, Grooooooosss, there is no possible way ANYONE, can bend that way! Sakura thought to herself

I bet that cute raven-haired hunk can!

Sakura blinked unbelievably

'Am.... Am I losing my sanity already?

BAKAREO! How could you forget me, I mean we were like beans in a pod, tuna in a can, Peanut butter and Jelly-

OMG, what the HELL ARE YOU STILL DOING IN MY BRAIN YOU PERVERT!

Hey, I'm you, and that's no way to treat your- OMG OMG, don't move!

WHAT!

The raven-haired kid is staring at you

SO? What do I care?

GOD there is no way you are me, turn around

Wha-

I SAID DO IT!

Sakura turned slowly towards the Raven-haired boy behind her. He wore black pants, a white collared shirt, and a necklace that had a fan on it.

His gaze was like thousands of kunai going through her at once, she blushed nervously, 'Um...nice.... Hair.' Sakura mentally slapped her self

' Nice hair? NICE HAIR? Omg how lame can you get Sakura?

Perrity Lame.

Shut-up no one asked you!

Sakura smiled awkwardly after the silence (A/N: *WAAAH* and thus.... A GAY BABY WAS BORN!). She turned away from him and slid into her chair, hoping that somehow she would have to transfer once again.

Ino giggled, and whispered to Sakura, 'Sorry he's taken'

' W-what?' Sakura stuttered, blushing lightly

'I said he's taken-'

Sakura felt a crumpled piece of paper in her on the side of her head. Carefully she opened it, 'by me, so he's mine you little dog >=D' she looked up to see someone she'd hope she'd never have to see again

'Karin...'

Hey people pl read my crap! i worked hard =(

4 - Karin and Itachi

HEY PEEPS CHAPTA 3 IS UP ENJOY!

Disclaimer: I don't own Naruto, If I did I would make Orochimaru announce that he was gay and raped Sasuke in his sleep O.o

Sakura glared, 'I thought I smelled something rotten,' She said, glaring hatefully at her. Karin smiled evilly, 'And I thought I saw an eclipse, oh that's right, that was your GIANT forehead blocking out the sun!'

'Back off Karin!' yelled Ino defensively.

'Y-y-yeah!'

Karin sniggered, 'Oh how frightening, Y-y-yeah!' she mocked back at Hinata making her to blush very deep from embarrassment

'Stop it Karin!' Sakura yelled at her. The whole classroom was filled with silence.

Karin put her hand on her hip, 'I don't think so cry-baby-Sakuwa.' Sakura blushed lightly from a mixture of embarrassment and anger, 'Shut up!'

'Laaaame!' She looked at her, 'you so easy to make a fool out of, you know that?' Sakura clenched her fists till they made half moon marks in her palm, 'Just leave me alone Karin!' she replied harshly, not caring that even Kakashi was watching from a safe distance (and wasn't even making an attempt to stop their fight. Sakura stood up, and glared with ferocity that would make a lion look like a friendly kitten, 'Ju... sh.... the.... Ka...un.... You...w....yo....@\$\$....k..... y.....sl...' Karin raised a hand to her ear, 'What's that you litt-'

Sakura Yelled this time, 'I said, shut.the.frack.up.unless.you.want.to.get.your.@\$\$kicked.you.slut.' The class laughed at the astounded look on Karin's face, 'Why you!!!!'

Sakura lifted her head at Karin and smirked.

Sakura waved her hand in gesture for Karin to scram, 'shouldn't you be outside, I mean some of your favorite customers are out there, like the smelly old hobo, that old perverted man with the white hair, and- oh yeah- I heard your daddy was gonna meet and pay you For-ahemcoughcough- you know ^^.

The class burst out in laughter, Karin blushed extremely deep, 'dog!'

Karin lifted her hand, and when she was about to hit Sakura, a body stepped in front of them, 'S-sasuke-kun?' Sasuke looked at Karin lazily, 'Don't make an idiot out of your self Karin, we don't

need another one.’ he said coldly. Karin nodded vigorously, ‘ What ever you say Sasuke-kun!’ she quickly turned to Sakura, you better watch your self Haruno!’ Sakura smiled a creepy sickly sweet smile directed at Karin, and lifted that special finger at her, ‘ 2 words, Screw you!’ Kakashi FINALY stepped in, ‘ ok girls that’s enough. He said coolly, NOW BACK TO POR- I MEAN –ahem- time for the questions children, and don’t be afraid to express how you feel (boys)!’ – insert sweat drop-

After class

‘EWWWWWWWW’ squealed the 3 girls, ‘ I’m sorry, but No... that teacher is just not right!’

‘Mhm’

‘R-right.’

Ino smiled, ‘ Anyways good job, I’m surprised that Karin didn’t do more than attempt to hit you!’ Sakura nodded, ‘ Yeah well, I’m just glad it’s over.’

The bell rang as the

More students started to leave the classroom. Some were gossiping and talking about if what Sakura said was true (which it wasn’t... but knowing Karin...she COULD pull it off). Some were even staying after school for questions about the book.

Sakura and Ino Hinata walked out of the room, all still giggling as they saw Karin blushing and denying that “she’d never do such a thing” to a big group of girls. Sakura smiled

‘ So what’s your guy’s schedule?

Sakura smiled I tested out cuz i'm soooooo smarticle!' she laughed jokingly, ' C-congratulations, S-Sakura-san.' Hinata said reassuringly, ' Just call me Sakura guys!' She said patting Hinata on the back.

Ino smiled at Sakura, I'll meet you in Gym, I'm going to go see if we can be locker buds!' she said excitedly, ' If w can, we don't have to suffer separately but together!!!!' she said with a good guy pose as she left. Sakura was like O.o. Sakura shook it off ' See ya later Hinata-Chan!' Hinata nodded and smiled shyly as she turned away.

Sakura sighed, she watched them go separate ways before she was about to go towards gym...' So, your Sakura Haruno?' Sakura turned around to see a tall, long raven haired, boy standing veeeeeeeeeeery close like he LITERALLY towered over her (damn why am I so short?!? I mean, COM ON where's ta growth's spurt when you need it!!!).' He wore A black T-shirt Black baggy pants. And had a baggy Jacket that was decorated with a few red clouds. She blushed slightly, ' Y-yeah... um, who are you?' He smirked and leaned back a bit, ' My Name is Hitachi Uchiha,' he replied as he stook out and shook her hand. ' I have to say, I'm impressed a newbie such as you could make Karin embarrassed, and on the first day too!' He said with little surpirsment I his voice, he started to clap slowly, ' Well done.' Sakura blushed a littler deeper, ' Thanks...' Itachi nodded, ' Yeah,' he looked around and noticed that there were less people in the court yard, he took out his phone and whistled, we better get going the bell's about to ring.' Sakura nodded, ' A-ano.... I'll see you later then?' Itachi stopped and looked directly at her, and smirked once again, ' Yeah...' he turned away and muttered, ' I'll see to that.' She said as he disappeared out of sight .

Haha I added some ItaSaku in it cuz I knew SOMEONE –im not pointing fingers-er buttons- really liked this pairing so yeah haha ummmmm.....

5 - Teams like these need therapy

HAHHA IIIIM BAK
I dont own nRUTo

“ALRIGHT YOU MAGGOTS! PAY ATTENTION BECAUSE I’M ONLY GONNA SAY THIS ONCE!’ Sakura, Ino, and the whole class of boys and girls sat there completely silent (all wear wearing Black stretchy shorts and gray shirts.). ‘ MY NAME IS ANKO! CALL ME CAOCH, MA’M, SENSEI, OR EVEN MS.MOROISHI, IT DOESN’T MATTER Cause’ TO ALL OF YOU I WILL BE KNOWN AS THE SPAWN OF HELL!’ She waved her hands sadistically, ‘ And children, you’ve just entered hell itself!’ practically everyone was stunned in silence, ‘ FIRST OFF YOU RUNTS, YOU ALL ARE GOING TO BE PAIREDUP IN TEAMS OF 4, TWO BOYS AN TWO GIRLS, GOT IT! YOU ALL ARE GOING TO PERFORM CAMPUS RUN!’

Everyone groaned, Sakura whispered to Ino, ‘ That doesn’t sound to bad...’ Anko cleared her voice, ‘ She took out a scroll from her long tan jacket and unravled it for everyone to see, ‘ Alright, This whole run is approximately 10 miles, use your teams and think like actual ninjas, for you have to finish in 12 minutes to finish the whole course through, the forest of torture, hills of fury, and plains of death.’ Sakura shook her head, ‘ Just don’t say anything.’ She whispered. Anko yelled, ‘ NOW GO PICK YOUR TEAMS YOU WIMPS!’ Sakura and Ino immediately paired up, but there was no one else left except.... The idiot blonde and the raven-haired kid from the morning.

Anko pushed them together forcefully, ‘ Look, they wont bite, just pair up and lets get ready!

Starting line*

To make a little more interesting, this is how it’s gonna work! Number 1: To make things more intense, you’ll have to fight against anyone in your way, but no killing, a K.O. , Injury and NON-KILLING poison is allowed. Number 2: No helping other teams, there are hidden cameras everywhere, that includes No cheating, and no running away! Number 3: The first ones to cross the finish line gets.... Pulls out something* FREE KLONDIKE BARS!!!! The loser *evil glare * has after school detention with Orochimaru!’ Everyone shuddered. Anko smiled maliciously, ‘ you have 10 minutes to make a plan with your team, starting NOW!’

The 4 of them crouched down and looked at each other, ‘ Errrr.... Sorry bout this morning Sakura-Chan.’ Said Naruto Apologetically, Sakura glared, but softened a little, ‘ Alright alright, apology accepted, ‘ She looked at Sasuke, and tilted her head, and sort of stared,

‘ He looks sort of like-‘

‘ Stop staring...’

Sakura shook her ‘W-what! I wasn’t I was thinking that you look like....’ She blushed a little but quickly shook it off, ‘ What’s the plan guys.’

‘Hn, I say ignore everyone and ran past them, it’ll be hard enough covering 10miles in 12 Minutes as it is.’

‘ Sasuke-teme, your no fun! Were the fight-‘

‘Look! I don’t want to be anywhere NEAR Orochimaru!’

‘Ha-ha, Teme’s afraid of Orochimaru... ha-ha’

‘ Shut up dobe!’

Ino rolled her eyes, ‘ guys FOCUS! All right, Naruto, Sakura, Sasuke, what do you all speacialize in?

‘ Kage Bunshin and Rasengan’

‘Fire techniques and Chidori.’

‘ Healing and.... Hand to hand combat.’

Sasuke rolled his eyes, ‘ Wow , healing and hand to hand combat, pfft.’

‘ Don’t make me slap you unconscious!’ she threatened, Naruto quivered and hid Behind Ino, ‘ I’m good thanks.’

‘ I specialize in mostly Mind controlling.... So how’s this gonna work?’

They all looked at each other, ‘ Ah, screw this, just do what Duck @\$ said and let’s make a run fo-‘

‘ I’ve said this a million times and I’ll say it once more, my hair I just spiky, and does not resemble any thing of a duck, chicken, or a cockatoo!’ he said, his eyebrow twitching violently.

‘ HAVE YOU BEEN LIVNG UNDER A ROCK!?! OF COURSE IT DOES!’ Sakura yelled

Naruto laughed, ‘ Ha-ha, BUUUURRN!’

SHUT IT BEFORE I SHOVE RAMEN SO FAR UP YOUR @\$ THAT’LL COME OUT YOUR THROAT!!’

Naruto pouted, ‘ Damn Sasuke friggen get some sleep, your way too edgy.’

Ino rolled her eyes, ‘ fine, we all run as fast as we can if we run into and problems, just hit them unconscious or something.’

Sakura nodded, ‘ Sounds good,’

‘ Dattebayo’

‘ Hn.’

* Starting line*

‘ ALRIGHT, ON GO YOU GO, On YOUR MARK, GET SET, GOPHER!’

About four teams ran but then were stopped by Anko, ‘ HEY GET BACK HERE! I SAID GOPHER NOT GO!’ A couple of teams went by her as soon as she said go, but were stopped by her again, ‘ GET YOUR fracken @\$\$ HERE! THAT”S ENOUGH JUST GO!’

* In the forest of torture *

AHHHHHHHHH WERE LOST DATTEBAYO!’

SHUT UP DOBE!’

GUYS STFUBIROYJAP! (Shut the frack up before I rip off your joy and pride)

‘Ugh, SHUT UP!’

‘ DAMN YOU YAHOO MAPS, DAMN YOU DATTEBAYO!’

* Hills of fury *

The four of them trudged up the steep *hill*, ‘ this*pant * is not a hill, It’s a *pant * fricken mountain!! Complained Ino

Naruto nodded in agreement, ‘ Yeah, *pant * THAT LADY IS CRAZY!’

Sakura looked at Sasuke, He was barley keeping up behind her last, and coughing very hard, ‘ Hey, are you ok?’ Sakura said sincerely, ‘ Sasuke looked up at her, and nodded, ‘ H-pantpantpant-n.’ Sakura noticed he was very pale, but his cheeks were flaming red, Sakura slowed down and put a hand on his fore head and gasped, ‘ Sasuke, your not O.K., you’re literally burning up!’ The others turned around; he quickly pushed her hand away, and started to run ahead of everyone. Sakura and the other two ran to Sasuke, ‘ Dude, Sasuke, maybe we should stop you’r-

“ No! We’ll keep going!’ he barked Sakura shook her head, ‘ No, it’ll get worse if you-‘

She was stopped as she saw him turn to her, his eyes were blood red, he tuned to the other’s too, ‘ Enemys, closebehind- you guys get-‘ Naruto protested, ‘ NO YOU TEME, YOUR HARDLY IN ANY SHAPE TO WALK, LET ALONE FIGHT!’ Ino nodded. Sakura pushed them ahead, ‘ Go ahead guys; I’ll buy us some time! Sakura said as she put on two black gloves, ‘ S-sakura- don’t! You can’t- Sakura tuned towards them and glared, ‘ Ino, I may have just met you, but you have to trust me! I can handle myself, just make sure Sasuke gets across the finish line!’ Naruto shook his head, ‘ Sakura, I won’t leave you behind!’ Sakura clenched her fist, ‘ IT WASN’T UP FOR DEBATE, IT WAS A COMMAND! NOW GO!’ Sakura said pushing them 20 feet, ‘ GO!’ they nodded and lifted Sasuke and left in a flash.

4 people emerged from the forest, and stood there watching her, the two girls and boys laughed as

Sakura was taking a fighting stance, 'hahhaha I can't believe your so stupid to take all four of us head on!' yelled one of the boys. One of them took out a vile full of poison and dipped a whole pack of weapons into it, 'Hira! Anko said no poison!'

He smirked, 'what she doesn't know won't kill her...Kukuku.... What I wouldn't do for a Klondike bar'

*Near the finish line *

Where the hell is Sakura!!' Ino said very worriedly, 'She was supposed to be here by now!' Naruto nodded, 'I hope she'll be O.k.' Sasuke didn't say anything, Instead, he took out a red pill and popped it into his mouth, 'TEME! Don't!!!!' Sasuke stopped, 'you go for the finish line! The rules never said the whole team had to cross it. So we'll be ok!' Ino and Naruto grabbed his arm, 'Sasuke don't!' Sasuke glared, 'I'll be ok!' GO! They reluctantly let go of him, 'you better be back Temé! Or else I'll come back and kick your @\$!' He smirked, and quickly disappeared. Naruto cringed, 'Stubborn jackass.'

*Back to Sakura *

Sakura was gasping for air, 3 of the shinobi were knocked out, but one of them was still up and ready to fight, 'haha like my poison?' He walked confidently closer, 'I say you have about 10 minutes before you completely suffocate!' he said Sadistically, Sakura glared, 'And I say you have less than two before I punch your face in!' The boy laughed, 'Please! You can hardly stand up!' he smirked, your not even worth finishing off!' He turned away until he felt a dark aura surrounding him, 'Don't you EVER TURN YOUR BACK ON ME, EVER!' he turned around, and there was Sakura, 'CHASHANARO!!!!' She punched his face, causing him to break through 23 ½ trees. Sakura leaned against a rock and lunged oddly, Green chakra began to emit from her hands as she too water from her bottles and started to drain out all of the poison.

She screamed in pain, but continued to do so until all was taken out of her system. She panted hard, but forced herself up, 'Nggh!' She tried to bite back her scream, and trudged through the hills. 'but before she left, she took out what looked like 3 week old bun from who knows were and stuffed it into the boy's mouth, 'Haha, enjoy my moms home-made hotdog.'

Sasuke's P.O.V.

Damn, how hard can it b to find a pink haired girl?'

Sasuke ran as fast as he could, ignoring stareing teams that were looking at him like he-must-really-like-Orochimaru.

He stopped for a breather until he saw Sakura 20 meter's away, he ran to her, 'You-you baka! That was so stupid of you to-' Sakura looked up but almost immediately collapsed. He caught her in one swift movement, and sighed.

Aww come on you like it!

.....Wtf?

WHAT HOW CAN YOU-

NO, SHUT UP, IM NOT GOING THROUGH THIS STUPID INTRODUCTION AGAIN!'

Bu-

DAMN YOU SHUT UP!

Fine, be pissy!

Sasuke sighed as he picked up Sakura bridle style and carried her; his cheeks red cheeks became even redder.

Ha you so like I-

THE HELL WITH YOU!

- In some bush some where*

' She's quite impressive, isn't she Pain'

' Hamm she could be quite useful to us.'

Konan looked at him, ' Are you going to ask her...'

' I'm going to keep an eye on her... so far; she has a quite promising future.... As one of us'
