**Chapter 1 - Until Next Time**

**2**

## 1 - Until Next Time

I look to the window,  
I look to the sky,  
All I can do is let out a small sigh.  
For I cannot see you,  
And you cannot see me,  
Is this the way our friendship must be?

I cannot let you go,  
I must hold on,  
To us, forever going strong.  
So don't give up,  
Keep hanging on my friend,  
I promise we shall never end.

Though for many day, we shall be apart,  
You, my dear friend, shall stay in my heart.  
I'll think of you and then I'll pray,  
To sometime soon see the day.  
That we shall be reunited again,  
Just you and me, the best of friends.

And then we can play the day away,  
Not a care in the world, nothing in our way.  
We'll frolic and shout,  
Run all about.  
And you and I shall remain to be,  
Best friends together, you and me.
