<b>Chapter 1 - Sephiroth's story part 1</b>	<b>2</b>
<b>Chapter 2 - Chapter 1 1/2</b>	<b>12</b>

*form the script)*

**BOOM**

*Cheesy narrator-a time portal opens up and someone who looks like tails comes out.*

*Sephiroth- I SAID STOP THAT!!!!*

*RAI man- RAI is the past form of me RAI man I am the writer of this Script. So you can't kill the Idiot one in this story. Ha!*

*Cheesy narrator- With that he jumped back into the portal.*

*Sephiroth- I found my sword but unfortunately my Gem is gone!! Also I thought I told you to SHUT UP*

*RAI- So what are we going to do ?*

*Sephiroth- Well I am going to set off on a Quest to find my Blue and Red Gem. And what do you mean ``we"????*

*RAI- Well I am going to write this script so I need to go and write it all down correctly.*

*Sephiroth- Dang You!!!!*

*Cheesy Narrator- That night a group of enemy troops snuck in and attacked them while they slept.*

*Sephiroth- I SAID.... ohhh (0.0) Thanks Attack attack we are under attack!!!*

*Cheesy Narrator (looking at a pool of blood and gore)- Uh boss RAI is dead.*

*Sephiroth- Crud wait if RAI is dead then how is this being typed down as we speak???*

*RAI- AHHHHHH!*

*Cheesy Narrator(finding a hiding spot)- RAI comes swooping down beheading about half of the army against us while counting.*

*Sephiroth-I will deal with you later Cheesy. But I need to add some kills to my count. Also I need to torture someone until I find my Gem!!!!*

*Soldier 1- I know where your Gem is.*

*Sephiroth- Ok, that was quick. Cheesy guard this soldier.*

*Cheesy Narrator- Whyyyy me*

**Sephiroth- Because I don't like you and, TAKE THAT ( a enemy soldier just died), and you need to, Ouch DIE (another soldier just died), This we'll deal with Soldier 1**

**Soldier 1/ Rebel- I am a Rebel. I was leading them off a cliff but accidently ran into your camp.**

**Sephiroth- Dang you!! Well fight then.**

**Rebel- O.K. but I am not a good Swordsman though. But I will try not to kill you, RAI, and Cheesy Narrator.**

**Sephiroth- How do you know our names???**

**Rebel- more than 1 person has a script.**

**Sephiroth- Dang you.**

**Cheesy Narrator(in hiding)- Well that battle goes on and ouch that is going to hurt. Rebel just knock a bad guy out with a blow to the head with the flat side of his sword. RAI and Sephiroth are fighting back to back giving them not blind spots besides above them. Rebel is as good or better than Sephiroth and RAI in swordsmanship.**

**Sephiroth (ignoring Cheesy Narrator)- Take that and that. Ouch are you ready RAI????**

**RAI- Yes**

**RAI and Sephiroth- [OVERDRIVE: DOUBLE SWORD SPIN]**

**Cheesy Narrator- With that RAI and Sephiroth joined hands and begun to spin slicing off a lot of heads and chopping off many enemies to little bit sides pieces of blood and gore.**

**Rebel- Now my turn [OVERDRIVE: SWORD WAVE]**

**Cheesy Narrator- neat Rebel just sliced his sword and a beam of energy came out and spited a lot of guys in half. HOLY NO RAI and Sephiroth are coming right at me. Well here it goes.[OVERDRIVE: TELEPORT GAS]**

**[/i][/b]Poof**

Rebel(taking Cheesy narrator's job for now.)- He disappears in a puff of Cheesy yellow smoke Oh no I feel sick, that stinks...(puke) Apparently Cheesy Narrator passed gas and just killed all of our enemies... And turned off our Overdrives!!!!

Sephiroth & RAI- OMG That stunk.

Cheesy Narrator (feeling better)- That felt good, well Rebel I'll take my job back now and a new pair of pants... ((.)) ATTACK WE ARE UNDER ANOTHER ATTACK!!!!

Sephiroth & RAI- Not again ! Wait! Didn't we just kill these guys? STOP THAT.

Cheesy Narrator- THEY ARE ZOMBIES!!!!!!!!!!!!

Rebel- It's Resident Evil all over again.

RAI-It's more like Resident Medieval.

Sephiroth- And we don't have our overdrive's. DON'T YOU DARE CHEESY!!

Cheesy Narrator- Don't worry tank empty

????- Help..... Somebody help.

RAI- Is that??? HOLD ON BUD!!

Cheesy Narrator- He chops through a pile of zombies and he saves the person and he found....

RAI- Essay!

Essay- Jimbo!

RAI- It's RAI

Essay- So what!

RAI- Can you fight?

Essay- No I got bitten and will turn into a zombie since you saved me. So dang you.

RAI- I try

Sephiroth- Sorry to break up your ``Reunion" but unless you can ``rekill" these people once and for all then FIGHT!

RAI- Lets do it!

Essay- WAIT!!!! I found these odd gems different pictures in them. They look like they can fit into your swords.

The Fighters ( Rebel & Sephiroth & RAI)- Lets go POWER UP!

Cheesy Narrator & Essay- They put a gem in their swords. Sephiroth puts a gem with a star in it. RAI puts a gem with someone running in it. And Rebel put a gem with a Big Sword in it.

Sephiroth- Take the power of the TERMINATOR!

RAI- Take the power of speed (with that he slices Ten enemies in half).

Rebel- FOUR!!

Cheesy Narrator- He hits a zombie into the air.

RAI (while jumping to the zombie)- I got it!

Cheesy Narrator- He jumps to the zombie and do an ELEVEN HIT COMBO followed by a slam to the ground.

Sephiroth- I got it!

Cheesy Narrator-Sephiroth bats the zombie pieces towards the other zombies and each one explodes in a mass of flying pieces of Bloody Gore and Flesh... Oh and don't forget the tons of rotten, decaying Gray matter and stomach contents.

Cheesy Narrator and Essay- Disgusting and sickening. Neat do it again do it again!

---

Cheesy Narrator- Next Day.

Sephiroth & RAI- SHUT UP! CAN'T YOU SHUT UP FOR JUST ONE DAY!!!!!!

Cheesy Narrator- Nope.

Rebel & Essay ( just waking up from the noise)- Yawnnnnnnnn. What happened?

Zombie-Unnnnnnn

Everybody- ZOMBIE!!!

BOOM

Cheesy Narrator- Everybody attacked it at the same time!

Essay- Argggg the Virus! ( he falls down and his skin starts to turn grey)

Cheesy Narrator- a piece of paper floats down from the sky.

RAI- I got it..... It's a letter from RAI man!!!

RAI

I love you

you love me

we're a happy fam\_i\_ly

with a great big hug

and a kiss from me to you

won't you say you love me to

Bush- I vote for RAI

Sephiroth - Kingdom hearts theme

You're giving me too many things

Lately you're all I need

You smiled at me and said,

Don't get me wrong I love you

But does that mean I have to meet your father?

When we are older you'll understand

What I meant when I said "No,

I don't think life is quite that simple"

When you walk away

You don't hear me say please

Oh baby, don't go

Simple and clean is the way that you're making me feel tonight

It's hard to let it go

The daily things that keep us all busy

Are confusing me  
That's when you came to me and said,

Wish I could prove I love you  
But does that mean I have to walk on water?  
When we are older you'll understand  
It's enough when I say so  
And maybe some things are that simple

When you walk away  
You don't hear me say please  
Oh baby, don't go  
Simple and clean is the way that you're making me feel tonight  
It's hard to let it go

Hold me  
Whatever lies beyond this morning  
Is a little later on  
Regardless of warnings the future doesn't scare me at all  
Nothing's like before

When you walk away  
You don't hear me say please  
Oh baby, don't go  
Simple and clean is the way that you're making me feel tonight  
It's hard to let it go

Hold me  
Whatever lies beyond this morning  
Is a little later on  
Regardless of warnings the future doesn't scare me at all  
Nothing's like before

Hold me  
Whatever lies beyond this morning  
Is a little later on  
Regardless of warnings the future doesn't scare me at all  
Nothing's like before

Random Judge ``Ya"

Cloud- A song

\*There was a time in my life when I opened my eyes and there you were.\*

\*You were more then a dream I could reach out and touch you girl, that was long ago\*

\*There are some things that I guess I'll never know.\*

\*When you love someone, you gotta learn to let them GO!\*

\*When I dreeeeeeam about you, that's when everything's alright,\*

\*you're in my arms, here next to me, foreeeeeever.\*

\*When I dreeeeeeam about you, girl you never go away,\*

\*just close my eyes, wait for my dreams,\*

\*cause I still won't let you go.\*

Other people ``Cloud, cloud, encore, encore!"

RAI man- Kingdom Hearts 2 theme song

In you and I, there's a new land,

Angels in flight,

I need more affection than you know

My sanctuary, my sanctuary,

Where fears and lies melt away,

Music in time,

I need more affection than you know

What's left of me,

What's left of me now?

I watch you fast asleep,

All I fear means nothing,

In you and I, there's a new land,

Angels in flight,

I need more affection than you know

My sanctuary, my sanctuary,

Where fears and lies melt away,

Music in time,

I need more affection than you know

What's left of me,

What's left of me?

So many ups and downs

My heart's a battleground

I need true emotions

I need more affection than you know

I need true emotions

You show me how to see

That nothing is whole and nothing is broken,  
In you and I there's a new land,  
Angels in flight,  
I need more affection than you know  
My sanctuary, my sanctuary,  
Where fears and lies melt away,  
Music in time,  
I need more affection than you know  
What's left of me,  
What's left of me now?

My fears, my lies..  
Melt away

I need more affection than you know
