**Chapter 1 - Burn to Die to be Reborn**

**2**

# 1 - Burn to Die to be Reborn

Light of destruction  
the glimer of fear  
a path once chosen and cannot be changed  
its living, its breathing, its only natural.

the fire burns  
it cracks and snaps  
it twists and turns  
its a whirlwind of death.

its on every whim on where there are lives to burn  
no regret, not humble at all  
reminding all to never forget  
the comming death, its giving a call

the fire burns  
its relentless in ways  
its wont stopuntill all is singed  
its a prayer of rebirth

the comming of nothing  
pain, misery, vain, and death  
as if it decideds to renew this hell  
giving another chance to live  
to stand, to breath, to love, to hate  
and all to just burn again

the fire burns  
its halted cry  
its wrath has stoped  
smoke staining the sky  
clearing and weilding a small green sprout.
