**Chapter 1 - Curse Your Hell**

## 1 - Curse Your Hell

I don't know who I am  
I feel like I'm livin' some kind of lie  
I act like something else now  
All because of you!

You promised all a child could want  
Deliver you did not  
You made me promise to never tell  
Deliver I did  
Only 'cause I was too damn stubborn then

I'm broken now  
But you don't care  
You got your god damn pleasure  
I hope you rot, suffer, and burn in Hell  
I put my curse on you.

You've broken this child  
I now fear the touch of another  
I can't even wear a frackin' dress  
All because of you!

You touched me in ways you would only touch your fiancé  
You told me to do things I never knew were wrong  
I never had anyone to protect me from your so called 'love'  
Trust in you I did  
Just 'cause I was only little a kid!

I'm broken now  
But you don't care  
You got all your god damn pleasure  
I hope you rot, suffer, and burn in Hell  
I put my curse on you

My curse be your end  
It's your eternal hex  
The thought of you still plagues me so  
As I now do to you  
What you've done  
The things you've done,  
Karma be a blessed thing  
For yours now is just too big

My curse shall be the death of you

This broken child still lives on  
My life becomes so much greater  
I feel I now have purpose  
But all goes to Hell once I think of you!

I'm broken now  
But you don't care  
You got all your god damn pleasure  
I hope you rot, suffer, and burn  
I put my curse upon your Hell...
