Growing Old With You

Now and forever,
I want to be their for you,
but also with you.
I never want to let you go,
because I'm scared I'll lose you,
and if that happens I don't know
what I'd do.
If their was the one someone
I could grow old with.
I wish it would be you, because
I love you so much,
that I want to grow old with you.
I don't know how we'd do it,
but we'll do it because were together,
and anythings possible when were together.
So you never know it could happen.
If this dream comes true,
then i'll hold it to my oath,
to make sure it never ends.
Together now and forever.
