I Don't Ever Want To Lose You

I know at times I have not been
the best,
and there were times that i failed
your tests.
There were days when you were
oh-so alone, a couple of sad
times with no-ones fault but my own.
I would give you anything I can,
anything at all,
Il wish I could be there to catch
every tear that might fall.
I wish that forever was'nt just a word you say.
I love you, baby, please don't go away.
I may not be your knight in shining
armor, as you see,
but only for you I'am being the best I can be.
I love you evan more than you know,
you never leave me,
you're iin my heart wherever I go.
Please kiss me and hold me so tight,
encourage me that things will be alright,
that I'am not wrong for loving a person like you,
a person who makes all of my dreams
come true.
A true person I'am, as I always will be,
I have been very stupid lately,
please forgive me.
Give me one more chance, hell, maybe two,
but whatever happens I don't
ever want to lose you.
