Undying Love

When I first saw you,
I knew it was right,
I knew I felt love so true,
that I never knew before that night.
I now know about Romeo and Juliet.
And what they were feeling.
I only wish everyone could know,
the love to me felt so healing.
No matter what they could've done,
I would never get mad
sadness, no, there was none.
Everything they did made me glad.
There is nothing that could break us apart.
No river, No mountain.
Full of love, my heart did pump.
Your kiss, it made me shiver.
