The Crow : City of Angels

Whne mans heart is full of deaseat,
it burns up, dies and a dark shadow
falls over his soul . from the ashes of
a once great man, has risen a curse,
a wrong that must be righted . He looked
to the sky for a indicator someone
to strike fear into the same men who
created him. The battle between good
and evil has began, against an
army of dark shadows, lives a dark
warrior the pre-valler of good
with the voice of silence and a
mission of justice. In the
darkness of mankind .
This is The Crow at the city of angels.
