## The Ways

I see the morning,

I see the evening,

I see the night.

But nothing really goes on during the day.

But even though I see everything that does go around.

There's nothing I can say or do, that will make a difference.

So I stand still with my head high and,

wait for something to go down.

When something does go down,

I can see what it is.

Still I can't do nothing.

But in the end it doesn't even matter what your choice is.

Everyone has a choice make.

It just matter what you do with that choice.

One day you will have to make a choice.

It's only up to you to make the right one,

for you and your life. So make it good.

A good choice, not a bad choice.

But sometimes it don't matter,

either way you choose.

It's all up to God to point you in the right direction.

The direction of the remembered,

and not the forgotten choice.

that will send you to the way of jail.
