L.I.F.E!

Everyone lives, Everyone dies.
It's just amount of time,
before everyone's life is over.
I believe that if someone is is love,
than their life is never over.
But evan then people do die.
I think everyone's spirit,
still lives around us.
It's just we can't see them,
because their inside our new borns.
When people die in our family,
they still watch apoun us.
Evan if they are in Heaven or Hell.
