Getting Down

People who live free, shall die well. While people who live within a prison shall die with a cold, horrorably death. Thats what I feel like, that the world is holding me in place and I cant shake loose. Its like Im already dead and I came backup but now my times up and their trying to drag me down,down,down into the ground. So I believe I aint gonna be able to stop them, So now I think I'm gonna now just allow them to take me, though I mean, I dont want to but I feel helpless so, If you are gonna take me, take me now before my life gets any better.
