Chapter 1 - Untitled

2

1 - Untitled

" The Computer "

"The computer",
The only way out of this god forsaken world,
That you may call Earth or Hell.
The desperate desire,
The desire to get away even for a day.
"The computer",
The only way out, to finally "live in peace",
Or so I thought but you now won't let me,
So can you find it in your heart.
To let me "rest in peices".
