# 1 - Untitled

## "Getting Away With Murder"

Somewhere beyond happiness and sadness

I need to calculate

what creates my own madness

and I'm addicted to your punishment

and you're the master

and I am waiting for disaster

I feel irrational

So confrontational

To tell the truth again

I am getting away with murder

it is impossible

to never tell the truth

but the reality is I'm getting away with murder

(Getting away, Getting away, Getting away)

I drink my drink and I don't even want to

I think my thoughts when I don't even need to

I never look back cause I don't even want to

and I don't need to

because I'm getting away with murder

I feel irrational

So confrontational

To tell the truth again

I am getting away with murder

it is impossible

to never tell the truth

but the reality is I'm getting away with murder

(Getting away, Getting away)

Somewhere beyond happiness and sadness

I need to calculate

what creates my own madness

and I'm addicted to your punishment

and you're the master

and I am craving this disaster

I feel irrational  
So confrontational  
To tell the truth again  
I am getting away with murder  
it is impossible  
to never tell the truth  
but the reality is I'm getting away with murder  
(Getting away, Getting away, Getting away)

I feel irrational  
So confrontational  
To tell the truth again  
I am getting away with murder  
it is impossible  
to never tell the truth  
but the reality is I'm getting away with murder
