1 - Untitled

Why must you hurt me so,
Then ask me why it is I go?
Acting innocent like I don't know.
Only hurting me.

Don't blame me for what you did.
It's you who wanted to risk the bid.
Think like an adult, not like a kid,
Stop playing a game.

If you can't stop a lie, never speak,
Your luck is low, you've reached the peak,
You must stay calm, you'll only freak.
Has your heart broken?

You stole my all, like a thief,
Leaving me in empty grief,
I wish only to make this brief,
I am through.

You lost your own war,
You made your own heart sore,
What was it all for?
Why must you fight?
