## 1 - Meet kids one and two!

"Inuyasha can you please go out hunting we're running out of meat"said Kagome in the kitchen.

"As long as I take Yashi with me"Inuyasha awnsered.

A girl with long brown curly hair,deep blue eyes,a flower kimono with a fish under every flower,and two white dog ears on her head ran into the room.

"Am I going hunting with you daddy"she said and already had her bow and arrow.

"Yes Yashi you get to hunt with me"Inuyasha replied.

"WooHoo bye mommy see you later"Yashi said and ran out the door but didn't get far because Inuyasha grabbed the back of her kimono.

"Even if you are 16 you don't just walk out the door you check to see if there are any jewel shards anywhere.Remember the fight with Naraku you had last time you just walked out"Inu said and pulled her inside.

Yashi touched the healing wound on her arm.

"Okay,okay"she said and closed her eyes.

"Got one can we go now?"Yashi asked and headed for the door agian.

"She has your stubbornness you know"Kagome said coming into the room.

"Yeah and she has your beauty"Inuyasha said and kissed her on the lips.

"EWWWW,adult love"Yashi said from the door.

"Tell me about it"said a boy behind her.

"Don't scare me like that Sonoku"Yashi said and turned.

A boy with hair pulled back in a small pony tail,and deep violot eyes smiled.

"Sorry I couldn't help myself"he said and put a hand behind his neck.

"Well next time warn me befo-"Yashi stopped when a hand came onto her rear.SMACK!!!

"You are just like your father"Yashi said.

"I know,I know.I couldn't help myself it runs in the family"he said and rubbed his brusied cheek.

"Hey you want to come over to my house"Sonoku asked.

"Can I dad"Yashi asked with the puppy eyes.

"Sure knock yourself out,but don't make me a grandpa yet"Inuyasha said.

"Dad!!Oh well bye love you both"Yashi yelled and ran off with Sonoku.

"They are so in love"Inuyasha said.

"There so cute together"Kagome said.

"Just like us"Inuyasha said and kissed her.

"Well I guess i'm going huntig alone once again"Inuyasha said and sighed.

## 2 - Getting the gang together

As Sonoku and Yashi approached they heard a cry. They ran into the back and saw Miroku being sucked into the wind tunnel and Songo running to him.

"Mom stop, you know if you go any closer you will get sucked in too" Sonoku said and grabbed his mother.

Songo tried to get away as best she could but failed. Sonoku let go as Miroku was last seen being sucked up. Sonoku stood still for a moment then held his arm tightly. He began to cry out in pain.

"Mom get the glove and the beads hurry!" Sonoku yelled as the Wind Tunnel started to appear in his right hand.

Songo ran as fast as she could and came out seconds later with the glove and beads. Songo quickly put them on Sonoku's hand and the wind tunnel was trapped.

"The Wind Tunnel is a horrible way to die, that means we need to find Naraku and kill him for a greater purpose now" Yashi stated and looked at Sonoku's hand.

Sonoku looked at his hand and closed his eyes. He stood up took his father's staff.

"Sonoku go with Yashi, find Naraku and kill him for your father and your family" Songo said with tears in her eyes.

"I will kill Naraku I promise mom" Sonoku said.

Yashi stood up and walked to Sonoku.

"Don't worry we can go get everyone and start our own adventure like both our families" Yashi said and grabbed his hand.

He looked at her face and smiled.

"Okay let's get the rest of the gang" Sonoku said.

"Yashi!" Inuyasha's voice came from the distance.

Songo, Sonoku, and Yashi went outside and saw Inuyasha running with a huge pouch on his back full of meat, plants, and fruit.

"It's time to go home" Inuyasha said as he came up to them.

"Oh hey Songo, Sonoku where's Miroku?" He asked.

Sonoku held up his gloved hand and Inuyasha's eyes widened.

"So he's gone" Inuyasha said.

Songo nodded her head slowly.

"Dad before we go home can we make a few stops?" Yashi asked.

A girl with black hair, a kimono that looks like Sessy's, pointed ears, and brown eyes was picking flowers from a garden outside from a huge castle.

"Ruka time to come in!" A man shouted from the castle.

"Comeing dad" She shouted.

On her way she tripped over a stick that had thorns on it.

"Dad! Lord Jaken has left his staff lying around again" Ruka shouted knowing her father could hear her.

"Hey Ruka!" Yashi yelled and ran up to her.

"Oh hey Yashi whats up" Ruka said and wiped the dirt off her kimono.

"Well Miroku was just sucked into the wind Tunnel a while ago and it's time to start a new adventure with all of us" Yashi said and Sonoku came to them.

"Good evening Lady Ruka" He said and reached his hand where he shouldn't.

SLAP!!!!

"You perv" Ruka said and glared at him angrily.

He rubbed his now marked cheek with his right hand.

"Oh man, the mark that Yashi gave me this morning was just fading out" he said sad.

"Sorry to hear about Miroku. Sonoku are you okay?" Ruka asked with concern.

"I'm fine. No need to worry about me" Sonoku said.

"I need permission to go with you be right back" Ruka said before two clawed hands came onto her shoulders.

"You have permission to go" Sesshoumaru said.

"Thanks dad" Ruka said and hugged him.

"Bye dad"Ruka yelled and ran with her best friends.

"Kaguya!"Ruka yelled and ran up to a girl with a stand of hair over each of her ears,purple eyes,long black hair,and a white kimono with red flowers on it.

"Hi guys how are you?"Kaguya said and walked to them.

"Hey we need to go now"Ruka said and started to pull on her arm.

"Hold on I have to go ask my dad"Kaguya said and ran into the hut.

Kaguya came out a little later with a sad look on her face.

"I can't go"she said and sighed.

"Who is your father anyway?"Sonoku asked.

"Well he never really comes out of his room,and if he does he wears this wierd baboon pelt"Kaguya said and the others looked terrified.

"No it can't be true!Your father is Naraku!!!"Yashi shouted.

"Yes she is my daughter"a voice said behind them.

"Naraku"Inuyasha said with hate in his voice.

"Ah Inuyasha it's been a while"Naraku said with intrest in his voice.

Yashi pulled out the tetssiga(No idea how to spell it)and held as Inuyasha did when he had it.

"Your going down Naraku!!WIND SCAR!!!!!!"Yashi yelled and bright energy shot out of the sword.

Just before it reached him a strong power stopped it.

"I missed"Yashi said with amazment.

When the smoke cleared Kikyo was standing in front of Naraku.

"Kikyo"Inuyasha said and growled at her.

"Inuyasha how long has it been since you discarded me for my reincarnation?"Kikyo asked and looked staight at him.

"It's been exactly 16 years,Kikyo"Inuyasha awnsered and clenched his claws.

Naraku looked at Sonoku and noticed the gloved hand.

"Hm...I see Miroku passed over,it's about time"Naraku said with a grin.

"Shut up it's your fault he's dead"Sonoku shouted and tears spilled down his face.

"Hee hee,and you Ruka,have you ever met your mother?"Naraku asked with another grin.

"No but I will dad promised"Ruka said.

"Oh belive me he's lying,because I killed your mother"Naraku began to laugh.

Ruka looked horrified at the statment and it turned to very depressed.Then out of nowhere an arrow came flying past Inuyasha and straight twords Naraku and Kikyo.It missed but cut Naraku's cheek.Everyone looked back to see kagome,Songo,Kirara,sesshoumaru,Shippo,and Kohaku standing ready to fight at any momment.

"Yashi you call the shots"Kagome yelled and the new allies came down next to the gang.

"Hello my pretty"Inuyasha said and kissed Kagome on the lips.

Kikyo looked real discusted by this.

"Dad why did you lie to me"Ruka asked her father.

"I didn't want you to fell depressed all the time"he awnsered and hugged his daughter.

'Rin'sesshoumaru thought sadly.

"Mother who is he?"Sonoku asked looking at Kouhaku.

"Sonoku this is my little brother Kouhaku"Songo replied.

"Shippo it's so nice to see you!!"Kagome shouted and hugged him(Just so ya know Shippo is like 18 k).

"Hi kagome!!"Shippo said and hugged her back.

Inuyasha grabbed the back of kagome's clothing and pulled her to him.

"Oh hey Inuyasha I didn't see you there"Shippo said and hugged him.

"Yes,yes hi and whatever"Inuyasha said and pushed away.

Naraku and kikiyo were getting bored so they cleared their throats.Everyone looked at Naraku and Kikyo and were ready for battle again.Kikyo and kagome got there bow and arrows ready.

"Yashi i'm going to need my sword back right now"Inuyasha said and Yashi handed over the sword.

Yashi got her bow and arrows out now. Sonoku got ready to use his wind tunnel. Songo and Kohaku were ready with their gas masks. Sesshoumaru, Inuyasha, and Ruka had their swords ready.

"Do you think you can beat me now Inuyasha?" Naraku said and looked at him.

"There's only one way to find out!" Inuyasha said.

"Attack!" Yashi shouted.
