Chapter 1 - Pain

1 - Pain

I know you won't come back
but I just want you to know,
I'll always love you, sister
not matter where you go.

I'll write a thousand letters
that you're not meant to read,
I'll cry a thousand tears
but you won't dare to see.

Every time I look at you
I feel a deep vast hole,
Every time I hear you
it tears apart my soul.

So I'll walk away with a heavy heart,
torn part inside.
I'll wish that we would never part,
and run away and hide.
