Chapter 1 - Shades of Red

1 - Shades of Red

Shades of Red

A bird flies into the fire

Its wings are flame red

Its eyes is fixed on heaven

Its heart is already dead

The fire responds with anger

The bird pays it no mind

The things the fire says

The bird hears all the time

The bird responds to the fire

In words that were never heard

The fire can't respond

To the beautiful red bird

The red bird dances

A game with red flame

The two circle one another

Until red blood begins to rain
